REPORT AND FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2025**

**THE MERCHANTS DOME AND SHIP  
THE MERCHANTS HOUSE**

The Merchants House of Glasgow, although more ancient in origin, obtained its first recorded constitution in a Letter of Guildry in 1605, later ratified by an Act of the Scots Parliament in 1672. It is an Elective Incorporation, and one of the most important charitable institutions connected with the social, commercial and other interests of the City of Glasgow. Its regulations are amended from time to time in general meeting as necessary.

The Merchants House of Glasgow is a charity, registered in Scotland under the Charities and Trustee Investment (Scotland) Act 2005.

The business of the House is managed by the Lord Dean of Guild, the Vice Dean, up to three recent Ex-Deans and up to 36 Directors elected in terms of the regulations of the House. It has substantial assets in the form of property and investments, the latter being reviewed regularly.

The principal objectives are to pay benefits to beneficiaries and to provide assistance in the form of grants to charitable institutions within and around Glasgow. These matters are dealt with by the Grants Committee. In addition to committee meetings, there are quarterly meetings of Directors when the business of the House is fully reviewed, together with such other meetings as are necessary.

The Directors are also responsible for the administration of the various trust funds mentioned in the report. The House continues to receive trust funds for it to administer and legacies and bequests.

## **MERCHANTS HOUSE OF GLASGOW**

### **REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 DECEMBER 2025**

The Directors of the Merchants House of Glasgow present their Annual Report for the year ended 31 December 2025 under the Charities and Trustee Investment (Scotland) Act 2005 (“the Act”), together with the audited financial statements for the year then ended. They confirm that this report and the accounts comply with the requirements of the Act, the Charity Accounts (Scotland) Regulations 2006 (as amended) and the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The Merchants House of Glasgow, although more ancient in origin, obtained its first recorded constitution in a Letter of Guildry in 1605, later ratified by an Act of the Scots Parliament in 1672. It is an Elective Incorporation, and one of the most important charitable institutions connected with civic, social, commercial and other interests of the City of Glasgow. Its Regulations are amended from time to time in general meeting as necessary. The Regulations were amended most recently in May 2021.

#### **Objectives and Activities**

The principal charitable objectives of the House are the relief of poverty by payment of benefits to individuals and providing grants to charitable bodies chiefly in Glasgow and the West of Scotland. During the year, benefits amounting to £251,846 were paid to 248 beneficiaries (2024: £67,623 paid to 73 beneficiaries) and grants totalling £287,444 were paid to 49 charitable bodies (2024: £226,040 paid to 49 charitable bodies).

The House manages substantial endowment funds, many of which have specific terms on the distribution of grants.

The House aims to distribute all its available income taking one year with another. For the year ended 31 December 2025, the unrestricted and restricted funds both show a surplus for the year, primarily as a result of two substantial donations. The House continues to seek relevant charities and beneficiaries to receive grants.

#### **Achievements and Performance**

A key aim for the House has been to continue increasing the letting activity of its Grand Hall, Directors' Room, Lord Dean's Room and James McCune Smith Room. During 2025, the events and hall hire net income (after deduction of direct expenses) increased to £152,929 (2024: £125,220). The rental income generated from let units in the subsidiary company, Ship Venture Limited, has decreased to £278,298 as a result of decreased tenancies (2024: £291,641).

The investments of the House are held with the primary purpose of producing an income stream to support the grant making activities. The dividends and interest received during the year of £429,266 has increased from £327,741 received in the previous year.

The value of the investment portfolios increased during 2025 following the transfer of £514,863 of investments from the Dallas Benevolent Fund into the control of the House together with gains in global equities and fixed interest asset prices during the year. The House is able to adjust its level of giving to reflect changes in the income performance of the portfolios and those of its subsidiary company. The House could also choose to realise certain of its assets in the event income is remaining suppressed to sustain its charitable objectives given the highly liquid nature of the assets.

### REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 DECEMBER 2025

#### Grant Making Strategy

There are two main strands in the House's grant making strategy:

(1) we receive and encourage applications for grant funding for a wide range of charitable activity across the social, educational, health and cultural sectors which has impact in Glasgow and the West of Scotland; and

(2) we make grants from a number of designated and restricted funds for specific purposes.

The grant programme themes continue to be food and fuel poverty, healthy living and encouraging social inclusion.

#### Financial Review

The financial position at 31 December 2025 remained strong with investments totalling £16,819,249 and cash balances of £1,523,191. The commercial premises let through Ship Venture Ltd had 63% occupancy at 31 December 2025.

The financial results for the year record a surplus of £681,544 before disposal and revaluation gains of the investments. The unrestricted funds had a surplus of £692,481 before taking into account the investment gains.

The investments of the House are held in accordance with the powers granted to the Directors. The Investment Policy during 2025 was to seek to maximise the income of the House while preserving the real value of the funds invested. The Policy is subject to periodic review with a detailed review being carried out each year. Following advice received from the House's investment managers a proposal to invest some of the portfolios under a total return mandate, where suitable, was approved at a meeting of Directors in November 2021. This covers approximately one quarter of the portfolios where the House is able to distribute capital as well as income. The change in approach was implemented during 2022.

The Directors delegate the management of the investment portfolios to investment managers, on a discretionary basis. The Investment Managers' performance is measured against appropriate bespoke benchmarks as follows:

| Fund           | Actual<br>% | Benchmark % |
|----------------|-------------|-------------|
| Endowment Pool | 11.1        | 16.5        |
| Growth Pool    | 7.6         | 8.8         |
| General Pool   | 10.5        | 8.8         |
| Underwood      | 7.9         | 8.2         |

During 2025, equity markets experienced stark divergences with a number of market shocks including "independence day" and US Government Shut downs. The year has been one of aggressive tariff threats from the USA and subsequent climb downs. This has caused some volatility but hasn't kept global equities from posting solid returns.

The Growth Pool produced a lower return than the Endowment and General portfolio as a result of the incorporation of the ARI fund in December 2024 and the realignment of shares against a lower risk level than the transferred portfolio had been operating with.

**MERCHANTS HOUSE OF GLASGOW**

**REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 DECEMBER 2025**

The composition of the investment portfolio of the Underwood fund reflects the expected timescale within which this fund will be expended in accordance with the original wishes of the donors.

The heritable property owned by the House together with the investment in Ship Venture Limited is a designated fund.

The financial performance and position in future periods are particularly sensitive to vacant accommodation within the commercial property and a reduction in hall lets, fluctuations in the value of investments which are traded on the Stock Exchange and the dividends declared by the companies in which the House has invested.

At 31 December 2025 the House held a high cash balance compared to the normal historical position. This is a conscious decision to reduce investment risk in readiness to support potential refurbishment of the heritable property owned by the House.

**Structure, Governance and Management**

The Directors of the Merchants House of Glasgow are the Trustees for the purposes of charity legislation in Scotland.

There are up to 41 Directors of the House comprising The Lord Dean of Guild, the Vice Dean, the Immediate Past Dean and the two immediate predecessors (all ex officio) together with up to 36 elected Directors who are appointed for a maximum of nine years.

Directors who are ex officio with effect from the annual meeting in May 2025 are:

|                     |                     |

Where the number of Directors proposed at an Annual General Meeting exceeds the number of vacancies, a vote of the members is held to determine who is appointed.

All new Directors are given access to guidance as to Trustees' duties and to statements of good practice in terms conforming to the requirements of the Charities and Trustee Investment (Scotland) Act 2005. A copy of Governance and Regulations of the Merchants House of Glasgow is also provided.

The Merchants House of Glasgow holds Directors' Liability Insurance for all Directors. The Directors are not employees and receive no remuneration.

#### **Membership**

There were 15 new members and the resignations and deaths of 5 members have been reported. It should be noted that a person does not rank as a voting member of the House until he or she has signed the Matriculation Roll. The active roll at 31/12/25 stood at 836.

#### **Organisational Structure**

The Directors meet quarterly to review the affairs of the House and additionally, as required.

## **MERCHANTS HOUSE OF GLASGOW**

### **REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 DECEMBER 2025**

For effective conduct of business of the House there are eight main committees of Directors:

|                                     |                                         |
|-------------------------------------|-----------------------------------------|
| Audit Committee                     | Legacy and Philanthropy Committee       |
| Employment & Remuneration Committee | Membership Development Committee        |
| Finance Committee                   | Nominations Committee                   |
| Grants Committee                    | Property and Capital Projects Committee |

The Committees meet according to their Terms of Reference. Each Committee makes recommendations for approval at the Directors' Quarterly Meeting except that the Grants Committee has the authority, without such approval, to award grants up to £10,000.

The day to day running of The House is delegated to the Chief Executive and his staff. Their remuneration is set by the Employment and Remuneration Committee in conjunction with the Lord Dean and the Chair of the Finance Committee. The key management personnel during the year are considered to be the Chief Executive and Collector and the Events Manager.

#### **Reserves Policy**

The reserves policy of the House is to ensure there are sufficient levels of cash and immediately realisable funds to meet the expected financial commitments of the House for the next twelve months. This includes the amounts expected to be disbursed by way of grants and payments to beneficiaries. The Directors are committed to distributing as much of the net incoming unrestricted resources as possible subject to ensuring the real value of the capital funds is maintained. The Directors may take a longer-term view into account when considering the expected costs and benefits of capital projects.

The balance held in unrestricted funds at 31 December 2025 was £9,468,234 of which £8,783,920 is regarded as free reserves, after allowing for funds of £684,314 tied up in tangible fixed assets including the premises of the House.

#### **Future Plans**

The Directors intend to continue the work of the House over the coming years in a way which will enable it to maintain or increase its charitable giving in real terms and to enhance the impact of its giving. The Directors continue to offer to other charities the ability to merge or manage other funds with those of the House with a view to improving the management and efficiency of these funds in achieving their own objectives.

The Directors are examining potential future property investments within the House premises to secure its long term value and attractiveness for rental and hall lettings.

#### **Subsidiary Company**

The commercial letting of available space in the building is carried out within the wholly owned subsidiary Ship Venture Limited. The sole purpose of letting the available accommodation is to generate income for the House. The Directors do not wish to incur undue expense in obtaining a current valuation of the property as there is no present intention to dispose of it and the commercial property is integral to the building from which the House operates.

Ship Venture Limited makes a gift aid payment each year to the House in an amount equal to its taxable profits or, if lower, distributable profits, in accordance with established practice. For the year ended 31 December 2025, Ship Venture has undertaken to make a payment of £159,320 (2024: £149,606).

## **MERCHANTS HOUSE OF GLASGOW**

### **REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 DECEMBER 2025**

#### **Risk Management**

A Risk Register is maintained which is reviewed annually by the Audit Committee and is approved by the Directors. The Register identifies mitigating factors, further planned actions and allocates who is responsible for each risk. The major risks include:

The risk that the building is not properly maintained and available accommodation is not let to suitable tenants. This is mitigated by the appointment of professional property agents to manage and market the building.

The risk of making inappropriate investments which either do not produce sufficient income or are subject to excessive reductions in value. This is mitigated by the appointment of professional investment managers who manage the portfolios on a discretionary basis thus allowing them to respond promptly to any changes in market sentiment.

The risk that funds are disbursed to inappropriate recipients. Grants are only awarded after the standard application form has been completed and a copy of the recipient's most recent accounts have been provided to the House. For beneficiaries, payments are only made by direct transfer to confirmed bank accounts.

The risk of disbursing restricted funds to ineligible charities. This is mitigated by ensuring that the Grants Committee has received details of the purposes of each restricted fund and awards are only made in accordance with the relevant conditions.

The risk that there is inadequate control over the finances leading to an unsustainable position. This is mitigated by budgets being prepared in advance of each year, regular Management Accounts being reviewed by the Finance Committee and Directors.

In the opinion of the Directors, sufficient controls have been established to ensure that all relevant major risks have been adequately mitigated.

#### **Related Parties**

Details of Directors' expenses and any related party transactions are disclosed in Note 4 to the accounts. Directors are required to disclose at each meeting if they have any conflicts of interest, and these conflicts of interest are noted in the minutes of the Board or of the Committee to which they relate. Directors are also required to complete a Declaration of Interest Form which they are asked to review each year.

#### **Statement of Directors' Responsibilities**

The Directors are responsible for preparing the Directors' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable in Scotland requires the Directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and the group and of the incoming resources and application of resources, including the income and expenditure, of the charitable group for that period. In preparing these financial statements, the Directors are required to:

## MERCHANTS HOUSE OF GLASGOW

### REPORT OF THE DIRECTORS FOR THE YEAR ENDED 31 DECEMBER 2025

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and the group and enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005, the Charity Accounts (Scotland) Regulations 2006. They are also responsible for safeguarding the assets of the charitable group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

#### Auditors

A resolution will be proposed at the Annual General Meeting that Wbg (Audit) Limited be reappointed as auditors to the House for the ensuing year.

#### Statement of Disclosure to the Auditor

So far as the Directors are aware, there is no relevant audit information of which the Charity's Auditors are unaware. Additionally, the Directors have taken all necessary steps that they ought to have taken as Directors, in order to make themselves aware of all the relevant audit information and to establish that the Charity's Auditors are aware of that information.

## **INDEPENDENT AUDITOR'S REPORT TO THE DIRECTORS OF THE MERCHANTS HOUSE OF GLASGOW**

### **Opinion**

We have audited the financial statements of The Merchants House of Glasgow (the 'parent charity') and its subsidiary (the 'group') for the year ended 31<sup>st</sup> December 2025 which comprise the Group and Parent Charity's Statement of Financial Activities (incorporating income and expenditure accounts), the Group and Parent Charity's Balance Sheet, the Group and Parent Charity's Cash Flow Statements and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and parent charity's affairs as at 31<sup>st</sup> December 2025, and of their incoming resources and application of resources, including their income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and regulations 6 and 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group and parent charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group and parent charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

### **Other information**

The other information comprises the information included in the Report and Financial Statements, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

## **INDEPENDENT AUDITOR'S REPORT TO THE DIRECTORS OF THE MERCHANTS HOUSE OF GLASGOW**

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of Council of Management (incorporating the Strategic Report and the Directors Report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic Report and the Directors' Report have been prepared in accordance with applicable legal requirements.

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the group and parent charity and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report and the Directors Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 and the Charities Accounts (Scotland) Regulations 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent charity; or
- the parent charity's financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement set out on pages 10 & 11, the trustees (who are also the directors of the parent charity for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the group and parent charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or parent charity or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and under the Companies Act 2006 and report in accordance with regulations made under those Acts.

## **INDEPENDENT AUDITOR'S REPORT TO THE DIRECTORS OF THE MERCHANTS HOUSE OF GLASGOW**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which these are capable of detecting irregularities, including fraud is detailed below:

### **Extent to which the audit was considered capable of detecting irregularities including fraud**

We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and then design and perform audit procedures response to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

In identifying and assessing the risks or material misstatements in respect of irregularities, including fraud and non-compliance with laws and regulations we considered the following;

- The nature of the charity, the environment in which it operates and the control procedures implemented by management and the trustees; and
- Our enquiries of management and trustees about their identification and assessment of the risks of irregularities.

Based on our understanding of the charity and the sector we identified that the principal risks of non-compliance with laws and regulations related to, but were not limited to;

- Regulations and legislation pertinent to the charity's operations; and
- Submission of gift aid claims.

We considered the extent to which non-compliance might have a material impact on the financial statements. We also considered those laws and regulations which have a direct impact on the preparation of the financial statements, such as the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005, and the Charities Accounts (Scotland) Regulations 2006. We evaluated management and trustees' incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of management override of controls), and determined that the principal risks were related to;

- Posting inappropriate journal entries.

### **Audit response to the risks identified;**

Our procedures to respond to the risks identified included the following;

- Gaining an understanding of the legal and regulatory framework applicable to the charity and the sector in which it operates;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;

## INDEPENDENT AUDITOR'S REPORT TO THE DIRECTORS OF THE MERCHANTS HOUSE OF GLASGOW

- Enquiring of management, trustees and legal advisors concerning actual and potential litigation and claims;
- Reading minutes of meetings of those charged with governance;
- Substantive testing of gift aid claims;
- We scrutinised the general ledger for the following:
  - Duplicate journal entries
  - Unbalanced journal entries
  - Journals with detail included key phrases or words

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

### Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, and to the charitable company's trustees, as a body, in accordance with Regulation 10 of the Charities Accounts (Scotland) Regulations 2006.

Our audit work has been undertaken so that we might state to the charitable company's members and trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company, the charitable company's members as a body and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

## NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2025

### 1. Accounting Policies

#### (a) Basis of preparation and assessment of going concern

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective 1 January 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The financial statements consolidate the results of the House and its wholly owned subsidiary, Ship Venture Ltd, on a line by line basis.

The charity constitutes a public benefit entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

#### (b) Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

#### (c) Funds structure

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the trustees, at their discretion, have created funds for specific purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed, or through the terms of an appeal.

Further details of each fund are disclosed in note 20.

#### (d) Financial instruments

The House only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their fair value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

#### (e) Income recognition

Income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations, are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

## NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2025

### 1. Accounting Policies (continued)

Legacy gifts are recognised on a case-by-case basis following the granting of confirmation/probate when the administrator/executor for the estate has communicated in writing both the amount and settlement date. In the event that the gift is in the form of an asset other than cash, or a financial asset traded on a recognised stock exchange, recognition is subject to the value of the gift being reliably measurable with a degree of reasonable accuracy and the title to the asset having been transferred to the charity.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due. This is normally upon notification by our investment advisor of the dividend yield of the investment portfolio.

Income from government and other grants, whether 'capital' or 'revenue' grants, is recognised at the fair value of the asset received or receivable when there is reasonable assurance that the grant conditions will be met and the grants will be received. A grant that specifies performance conditions is recognised in income when the performance conditions are met. Where a grant does not specify performance conditions it is recognised in income when the proceeds are received or receivable. A grant received before the recognition criteria are satisfied is recognised as a liability.

#### (f) Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required, and the amount of the obligation can be measured reliably. All expenditure is accounted for on accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings. For more information on this attribution refer to note (f) below.

Costs of raising funds comprise the costs of commercial trading including investment management costs and certain legal fees and their associated support costs.

Expenditure on charitable activities includes Grants and Benefits Payable and other activities undertaken to further the purposes of the charity and their associated support costs.

Grants payable are payments made to third parties in the further care of the charitable objects of the House. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the one-year or multi-year grant. Grant awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside of the control of the House.

The provision for a multi-year grant is recognised at its present value where settlement is due over more than one year from the date of the award, there are no unfulfilled performance conditions under the control of the House that would permit the House to avoid making the future payment(s), settlement is probable and the effect of discounting is material. The discount rate used is the average rate of investment yield in the year in which the grant award is made. This discount rate is regarded by the Trustees as providing the best current available estimate of the opportunity cost of money reflecting the time value of money to the House.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure is incurred.

## NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2025

### 1.Accounting Policies (continued)

#### (g) Donated services and facilities

Donated professional services and donated facilities are recognised as income when the House has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the House of the item probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), general volunteer time is not recognised.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the House which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

#### (h) Tangible fixed assets and depreciation

Heritable property is accounted for at historic cost and not at valuation as the property is let out to a wholly owned subsidiary.

No depreciation is provided on heritable property as it is the policy of the House to maintain the property in such condition that its value taken as a whole is not impaired with the passage of time. Consequently, any element of depreciation would, in the opinion of the Lord Dean and Directors, be immaterial.

The cost of furniture and fittings and expenditure on repairs and renewals is charged in the year in which it is incurred. All assets costing more than £1,000 are capitalised and valued at historical cost. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life:

|                       |                                                                                    |
|-----------------------|------------------------------------------------------------------------------------|
| Building Improvements | 10% per annum on additions prior to 1/1/19, 20% on additions thereafter            |
| Equipment             | 10% and 33.33% per annum on additions prior to 1/1/19, 20% on additions thereafter |

#### (i) Heritage assets

The House has a collection of heritage assets which includes antique furniture, fine artwork, 20<sup>th</sup> century decorative furniture, statues & sculptures and silver. Due to the lack of comparable market values for the collection and the expense of obtaining reliable valuations, the assets are not recognised in the Balance Sheet.

#### (j) Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The charity does not acquire put options, derivatives or other complex financial instruments.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

#### (k) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

## NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2025

### 1.Accounting Policies (continued)

#### (l) **Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

#### (m) **Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

#### (n) **Realised gains and losses**

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

#### (i) **Employee Benefits**

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charitable company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

#### (o) **Contingent liabilities**

A contingent liability is identified and disclosed for those grants resulting from:

- A possible obligation which will only be confirmed by the occurrence of one or more uncertain future events not wholly within the Trustees' control; or
- A present obligation following a grant offer where settlement is either considered probable; or
- The amount has not been communicated in the grant offer and that amount cannot be estimated reliably.

#### (p) **Allocation of investment management fees across the funds**

Investment management fees are incurred quarterly and are calculated with reference to the investment valuation during the quarter. The gains and losses arising from investment sales and the revaluation gains or losses are allocated to the endowment funds (or a restricted fund where there is no associated endowment). The Trustees consider that the investment management fees are directly related to the investment gains and losses and, therefore, should be allocated in the same way as the gains or losses i.e across the endowment funds (or restricted fund where there is no associated endowment).

## NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2025

### 1.Accounting Policies (continued)

#### (q) Judgements in applying accounting policies and key sources of estimates uncertainty

In the application of the company's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

#### Depreciation

Fixed assets are depreciated over the useful life of assets. The useful life of the fixed assets are based on the knowledge of senior management, with reference to the assets expected useful life.

#### Bad debt provision

Trade debtors are reviewed by appropriate experienced senior management on a case by case basis with the balance outstanding and the ageing of the debtor taken into consideration.

#### Allocation of expenditure between activities

Support costs are allocated between charitable activities and governance based on the time spent by senior management on undertaking the charity's activities.

### 2. Legal status

The House is a charity registered in Scotland under the Charities and Trustee Investment (Scotland) Act 2005.

### 3. Financial activities of the subsidiary

The wholly owned trading subsidiary Ship Venture Limited is incorporated in the United Kingdom (company number SC166242) and pays all its taxable profits to the House under the gift aid scheme. Ship Venture Limited's core business is that of management and rental of property and all commercial trading operations carried on at its Glasgow premises.

#### 16. Heritage Assets

The house holds a collection of antique furniture, fine artwork, 20th century decorative furniture, statues & sculptures, silver and the Chains of the Office of the Lord Dean and Vice-Dean. The collection is not capitalised in the balance sheet as the Trustees consider that the benefit of valuing the collection does not justify the costs that would be incurred. In March 2019, the collection was valued for insurance purposes at £272,300.

##### Antique Furniture/ 20<sup>th</sup> Century decorative furniture

The collection includes various furniture items which are situated throughout the House in the Grand Hall, the Directors' Room, the Lord Dean's Room, the Vestibule and the James McCune Smith Room. The items include Victorian chairs, 19<sup>th</sup> Century chandeliers, mahogany chairs, side tables, mahogany and panel boards, a model tobacco ship, a Steinway grand piano and the door of the old Merchants House in the Bridgegate.

##### Fine Artwork

The art collection contains portraits of past Deans of Guild as well as several people of importance to the House along with paintings of local landmarks. The artwork is on display in the Grand Hall, the Directors' Room, the Lord Dean's Room and the James McCune Smith Room.

All investments are carried at their fair value. Investment in equities and fixed interest securities are all traded in quoted public markets, primarily the London Stock Exchange. Holdings in common investment funds, unit trusts and open-ended investment companies are at the bid price. The basis of fair value for quoted investments is equivalent to the market value, using the bid price. Asset sales and purchases are recognised at the date of trade at cost (that is their transaction value).

The significance of financial instruments to the ongoing financial sustainability of the Charity is considered in the financial review and investment policy and performance sections of the Report of the Directors.

## THE MERCHANTS HOUSE OF GLASGOW

### NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2025

#### 17. Investments – Group and Charity (continued)

The House manages these investment risks by retaining expert advisors and operating an investment policy that provides for a high degree of diversification of holdings within investment asset classes that are quoted on recognised stock exchanges. The House does not make use of derivatives and similar complex financial instruments as it takes the view that investments are held for their longer term yield total return and historic studies of quoted financial instruments have shown that volatility in any particular 5-year period will normally be corrected.

#### Subsidiary

The house holds 50,000 shares of £1 each in its wholly owned trading subsidiary company Ship Venture Limited which is incorporated in the United Kingdom. These are the only shares allotted, called up and fully paid. The activities and results of this company are summarised in Note 3.

## THE MERCHANTS HOUSE OF GLASGOW

### NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2025

#### 20. Analysis of charitable funds – Group (continued)

The unrestricted funds are available to be spent for any of the purposes of the charity.

**Designated Funds** – The Trustees have created the following designated funds:

##### **Heritable Property**

The property held to generate rental income which the House can then use with its charitable objectives and activities. The fund covers both the property and the related investment in Ship Venture Limited.

##### **ARI Fund**

The investments from the Association of the Relief of Infirmity in the West of Scotland were donated to the House in December 2025. The income is to be applied to the beneficiaries of the original ARI charity. £32,472 was paid out in the year in investment and professional fees.

##### **The Carol Richmond Charitable Trust**

The income is applied for the benefit of Giffnock South Parish Church. £2,638 was paid out in the year.

##### **Dallas Fund**

The trust was received by the House in 2025. The House has undertaken to continue to support the existing beneficiaries of the fund at the time of its transfer for their lifetime. The Dallas Fund is to give financial support to beneficiaries who are at least 50 years old, and born, or have had ten years' continuous residence in the city of Glasgow.

#### **Restricted funds and Endowment funds comprise:**

##### **Historical Endowments** (Endowment fund)

These endowment funds comprise individual endowment funds where the original purpose of the fund has been extinguished or there are no remaining beneficiaries. Under the terms of the endowments the House can use the income as the Trustees see fit. The funds included within the balance are as follows: Ridge Beedle, Simon Dallas, Daniel Duncan, Rebecca Edgar, John Farquhar, Gardiner, Lawrence Glen, James Grant, Dr James McCallum, Sir George Mitchell, Marjory Shanks Schaw, Johnstone Smith, Templeton, Waugh's Bequest, Stephen Bicentenary Trust, Glasgow Corn Trade and Scottish Retail Credit Trust.

##### **The Benjamin MacKay Trust** (Endowment fund and Restricted fund)

This trust was received by the House in July 2013. The House has undertaken to distribute at least one-seventh of the income generated each year to charitable organisations within the Lenzie/Kirkintilloch area. This fund permits the House to distribute capital as well as income. Awards of £4,000 were made during the year.

##### **The Boggles of Gilmorehill Bursaries** (Endowment fund and Restricted fund)

The Boggles of Gilmorehill Bursaries were established in 1992 by a gift of £50,000 from Ellen Bogle and Robert Bogle, descendants of the family which owned the Gilmorehill land on which the University of Glasgow is built. Awarded annually to home based graduate students undertaking Masters Degree course in the Faculties of Divinity or Social Sciences and recommended to us by the University, the Bursaries are intended to benefit students whose financial needs are not met from public funds. Awards of £9,000 were made during the year.

##### **The Buchanan and Ewing Bequest** (Endowment fund and Restricted fund)

These grants are made specifically to Education Institutions to aid study. Awards of £5,000 were made during the year.
