Fundraising for this purpose has been carried out in previous years and many a times the Trust has been very close to finalising such an acquisition but has not been successful and now the new company has been set up and has been able to acquire the new building which is undergoing continuous extensive refurbishment work.

The new premises the Company has acquired are helping the organisation deliver better services in all the fields that the charity is working in, eg the youth work and social and the educational services provided for ladies and for the older people and the young alike in the area.
