Structure, Governance & Management

North Ayrshire & Arran is constituted under documents of The Scout Association, which are set out as a standard District Constitution document to which we have made no amendments. The District operates in cooperation of The Scout Association Policy, Organisation & Rules. The District trustee board, is responsible for maintaining governance, financial oversight and management of the charity as well complying with legislation applicable to charities. The named District Trustees, also serve as charity trustees.

Objectives of the charity

The objective of this charity is to empower, support young people and provide them opportunities and experience through adventure, teamwork and youth driven objectives. Allowing them to enhance their personal development and make a contribution to society locally & globally.
