All roles within the Club are voluntary and there is no monetary payments received.

Objectives and activities

Charitable purposes

The advancement of public participation in sport

The provision of recreational facilities or the organisation of recreational activities

Summary of the main activities in relation to these objects

Encouraging public to partake in sport, namely athletics, giving them an all round introduction, providing free taster sessions to encourage people to try something new.

Attending athletic competitions at both local and national level.

Continually looking for additional volunteers to assist at the Club, with the view to some of them going on to become coaches.

Achievements and performance

Summary of the main achievements of the charity during the financial period

Athletes competed in a number of outdoor and indoor events through the period 1 April 2023 – 31 March 2024.

Senior athletes and Under 17s qualified for the Track and Field League Final in Aberdeen, having qualified in the top 4 in our area. We also had athletes competing at Age Championships in Scotland, North District Championships, Cross Country League events and the Knockando Jumps Series. One of our athletes competed in the English Combined Events. Throughout the season athletes achieved numerous Personal Bests at competitions. We held our outdoor Club Championships to decide the track and field trophy winners.

One of our officials was selected to officiate at the World Indoor Championships in Glasgow 1-3 March 2024. One of our coaches took part in the London Marathon in April 2023, completing the course in 6 hrs 3 mins.

We promoted the Club through social media providing free trial sessions for potential new athletes. This resulted in having athletes join the Club from local schools and further afield.

More volunteers came forward to assist at the Club, with the hope that at least one will progress to attending the Assistant Coach course in the next financial year.

On an annual basis we undertake ground maintenance at our facility which includes lining the track and throwing areas, digging over the long jump pit, check of all equipment and general tidy up and clean of the area. This is one by coaches and parents.
