NEWMACHAR AFTER SCHOOL CLUB

REPORT OF THE TRUSTEES for the Year Ended 31 October 2025

The trustees are pleased to present this report together with the financial statement of the charity for the year ended 31st October 2025.

The financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The principal activity of the charity is to provide after school care for primary school children as well as:

- promote the care and education of children in need of care during out of school hours and school holidays to ensure that all children are safe and happy by providing a caring and safe environment where all children are welcomed and accepted
- promote the provision of facilities for the recreation and other leisure time occupation of such children by providing activities that entertain and stimulate all children; offering a wider range of activities that we know they want as a result of regular children's meetings and questionnaires
- To provide quality and affordable before and after school care with the choice of both inside and outside opportunities

Public benefit

The club provides before and after school care for primary aged school children during term time. It also provides holiday clubs for one week of both the Easter and October holidays and the first three weeks of the summer holidays, where demand exists. In addition, it serves the interests of social welfare with the object of improving their condition of life.

ACHIEVEMENTS AND PERFORMANCE

Fundraising activities

The club will undertake fundraising activities when it is felt that there is a need to do so. The club manager is always checking to see what grants are available and will apply if there are any suitable to the clubs purpose. No grants were applied for in the year under review.

Achievements in Year

There were no care inspectorate inspections during 2025, however, previous inspections gave the club areas for improvement which the club manager is continuing to work on to meet the criteria. The club is looking to recruit an assistant manager to help with the daily running of the club moving forward.

In terms of training, all staff have undertaken the essential First Aid, Child Protection and Elementary Food Hygiene training as part of their induction and, as soon as funding becomes available, they undertake SVQ level III in Playwork (SCQF 6).

The Club is co-ordinated by the Manager who has her SVQ level III in Playwork (SCQF 6), SVQ level IV in CCLD and PDA in Childhood Practice (SCQF 9) as well as regularly updating her CPD with the core training.

The holiday club has increased its attendance due to advertising through social media and via Newmachar Primary School, however, low attendances on all the Fridays.

The three trustees who were in office during the year to 31st October 2024 stood down at an EGM on the 21st January 2025 and 4 new trustees were voted into office as of the 21st January 2025. One of which has since resigned as of 28th February 2026, leaving 3 trustees in office.

Challenges/Performance

The club had another successful year and is as busy as ever. Afterschool club has been running at a high capacity throughout the year, with Fridays being the exception, also BC started the 2025 school term at lower numbers, due to staffing levels, but will increase in 2026. Our manager keeps a close watch on the waiting list and any spaces are offered as soon as they become available. We have had several new children join the club since the start of the academic year.

We continued to offer rates of pay and benefits commensurate with the market and legislation in order to attract and retain staff members across all levels. Salary costs represent approximately 80% of total club expenditure (and went up 12% this year compared to 2024), including holiday pay, after staff rates were increased in April 2025 and are 3% above national minimum wage increases.

We have faced some challenges with staff changes and availability. However, our manager is working hard to find suitable replacements and current staff are well liked by the children in the club.

The Committee has moved invoicing back to club to reduce the burden of work on the treasurer, and has been proven to be successful and we are still utilising the Xero software.

NEWMACHAR AFTER SCHOOL CLUB

REPORT OF THE TRUSTEES for the Year Ended 31 October 2025

FINANCIAL REVIEW

Financial Review

It is the aim of the charity to keep reserves at a level where we are able to continue to undertake our charitable activities with the lowest impact on our families.

During the year under review the club has maintained a close to capacity volume of children, whereby Fridays are at lower levels compared the rest of the week.

This past year the club has been run at a loss which has reduced reserve levels from 55.5K to 43.3K, this has happened due to rises in the minimum wage and national insurance and continued high inflation. Another factor is the stopping of having staff leave their shift once levels of children drop, the new committee felt this was a hindrance to staff retention and unfair on the staff. Fees were increased by 10%, but this did not keep pace with these additional costs. The annual registration fee was dropped and changed to an initial joining fee to the club per child, this was to simplify the process, and administration changes have been made to streamline this process.

The club still has a long waiting list and is certainly still a requirement for the parents of New Machar Primary School and we are committed to keeping the costs as fair as possible. The trustees will continue to monitor costs and decide if there are to be rate increases/decreases in the future.

FUTURE PLANS

Monitoring and supporting the ongoing performance of the Club. Reviewing waiting lists and the demand for both services. Continuing to provide childcare in the Newmachar area for working parents.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a constitution of Newmachar After School Club Committee and constitutes an unincorporated association.

Recruitment and appointment of new trustees

New parent members are welcomed and encouraged to attend committee meetings and our annual AGM.

Organisational structure

The management of the Newmachar After School Club is currently the responsibility of the management committee consisting of the Chairperson, Secretary and Treasurer (the office bearers) and ordinary members. All committee members are elected at the Annual General Meeting each year.

The day-to-day operation of the club is managed by the Club Manager who is supported by members of staff and the office bearers. The committee is made up of the Management Committee, Club Manager and members of staff who meet on a quarterly basis, or more frequently, as required.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
NEWMACHAR AFTER SCHOOL CLUB**

I report on the accounts for the year ended 31 October 2025 set out on pages five to ten.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention :

(1) which gives me reasonable cause to believe that, in any material respect, the requirements

- to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
- to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NEWMACHAR AFTER SCHOOL CLUB

NOTES TO THE FINANCIAL STATEMENTS for the Year Ended 31 October 2025

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities and Trustee Investment (Scotland) Act 2005. The financial statements have been prepared under the historical cost convention.

Newmachar After School Club meets the definition of a public benefit entity under FRS 102.

Assets and liabilities are initially recognised at historical cost or transition value unless otherwise stated in the relevant accounting policy note(s).

The trustees have a reasonable expectation that the charity has adequate resources to continue operational existence for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

The presentation currency is £ sterling.

Financial reporting standard 102 - reduced disclosure exemptions

The charity has taken advantage of the following disclosure exemption in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Recognition of income

These are included in the Statement of Financial activities (SOFA) when:

- * when the charity becomes entitled to the resources;
- * it is more likely than not that the trustees will receive the resources;
- * the monetary value can be measured with sufficient reliability.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Governance and support costs

Support costs have been allocated between governance costs and other support.

Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Support costs include central functions and have been allocated to activity cost categories on basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

NEWMACHAR AFTER SCHOOL CLUB
