ACCOUNTANT'S REPORT

FOR THE YEAR ENDED

5 April 2026

Set out on pages 1 to 3

Respective responsibility of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) 2005 Act and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1) (a) to © of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) © of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison on the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the accounts.

Independent examiner's statement

In the course of my examination, no matter come to my attention [other than that disclosed on the attached pages]

1. Which gives me reasonable cause to believe that in my material respect the requirements:

- * to keep accounting records in accordance with section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
- * to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations.

have not been met or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Signed

Junayd Javid

1. The first part of the report is a general introduction to the subject of the study. It discusses the importance of the study and the objectives of the research.

2. The second part of the report is a detailed description of the methodology used in the study. It includes information about the sample size, the data collection methods, and the statistical analysis techniques.

3. The third part of the report is a discussion of the results of the study. It presents the findings of the research and discusses their implications for the field of study.

4. The fourth part of the report is a conclusion and a list of references. The conclusion summarizes the main findings of the study, and the references list the sources of information used in the research.

5. The fifth part of the report is a list of appendices. These appendices contain additional information that is relevant to the study but is not included in the main body of the report.

6. The sixth part of the report is a list of figures and tables. These figures and tables provide a visual representation of the data and results of the study.

7. The seventh part of the report is a list of footnotes. These footnotes provide additional information about the study and its findings.
