To give riding experiences to as many children and adults with physical and learning difficulties as can be managed within our weekly sessions (one morning per week during school term time).
To encourage our riders to obtain and further their riding skills or, for riders with more challenging disabilities, therapeutic riding.

Summary of the main activities in relation to these objects

We fundraise during the year to pay for pony hire and for the purchase of equipment for ponies and riders.
We also apply for Grants when funding is required for projects.
