2. Annual Report

The Broxburn woodcraft Club had another successful year. The annual membership Remained constant at around the 150 mark the overall income remained at around the 19K this was comprised off just Membership fees and session fees with some donations and sales. We received no grants during this period.

3. Annual Show

The annual show was open to the general public this highlights the members superb work in the major wood crafts. The stick makers section again continued to show their craft in many Scottish shows doing both demonstrations and wining many prizes.

3. Broxburn Woodcraft Club in in the Local community.

Throughout the year we have continued to assist the local community, mainly schools giving advice about planters and members making bird boxes for another school. The local library had Thomas the tank Engine project refurbished with Paints donated from a leading national Paint company.
