Financial review

Brief statement of the charity's policy on reserves

We are continually investigating ways to utilise our current assets. Actively looking at ways to further our aims and objectives.
For 2024 2025 we have maintained the current membership fees in order not to needlessly build up assets.
Our reserves are currently used to secure bookings i.e. deposits for club weekends and events. These are replenished when event subscriptions are drawn in. We also use funds for upkeep of a hut which is available to all club members.
