Adult, Adolescent and Relationship Counselling Services Ltd

Charity Number : SCO 82185

Trustee Statement for period ended 31 October 2025

2025 has been a year of hard work and transformation for the organisation.

Our offices have been transformed from their original open plan layout and now consist of 3 dedicated training rooms and 3 individual consulting rooms allowing us to run different courses at the same time whilst also being able to provide counselling sessions. It is now a genuine hive of activity.

This has come at a cost which is reflected in the annual accounts. We are very grateful to those who have assisted us with funding the building work and also to those who have carried it out on our behalf. There will be some additional costs included in the 2026 accounts for this work, but it will be at a much lower level than in 2025.

We continue to refine our course offerings to students and continue to work towards a full COSCA accreditation

Again, we owe a debt of gratitude to those who have given so willingly of their time and effort to ensure that we continue making the progress to ensure that we meet the targets we have set ourselves.

2026 will be a year full of challenges and opportunities but I feel confident that the organisation is in a position to prosper and grow in the next 12 months.

Hugh Jackson

Trustee
