POYPIN – End of Year Report 2025–2026

Charity Number: SC051406 Date: June 2026

1. Overview

The 2025–2026 academic year marked the final operational year of POYPIN (Positive Outcomes for Young People with Individual Needs). Despite significant efforts to secure continuation funding, the charity faced substantial financial challenges, resulting in the difficult decision to formally close POYPIN in January 2026.

Although the project has come to an end, the outcomes for young people this year have been

exceptional. POYPIN continued to deliver high-quality, bespoke skills programmes and community-based learning opportunities until closure, ensuring that all young people already engaged in the project received continuity of support.

2. Financial Summary

Funding Secured (2025–2026)

- **Trades House of Glasgow – £2,500** *This was the only successful funding award for the year.*

Funding Applications Submitted

- A total of 50 grant applications were submitted to a wide range of charitable trusts, foundations, and community funds.
- All applications were unsuccessful, with funders citing high levels of demand and limited available budgets.

Meetings with Partners

- In November 2025, trustees met with Glasgow the Caring City to explore joint funding opportunities and sustainability options.
- Despite positive discussions, no viable long-term funding route was identified.

Decision to Close POYPIN

- In January 2026, trustees agreed unanimously that the charity could no longer operate sustainably.
- POYPIN formally ceased activity, and all remaining funds were allocated in line with the constitution and OSCR requirements.

3. Project Delivery (August 2025 – January 2026)

Despite financial constraints, POYPIN continued to deliver:

- **Bespoke skills training**
- **Community-based work placements**
- **Applied Behaviour Analysis (ABA) skills sessions**
- **Supported vocational experiences**
- **Individualised pathways planning**
- **Transition support for senior pupils**

The partnership with Glasgow the Caring City remained central to delivery during this period.

4. Outcomes for Young People (2025–2026)

Even in its final year, POYPIN achieved outstanding results for young people.

★ 100% Positive Destinations

Every young person supported through POYPIN this year progressed to a positive post-school destination, including:

- Further education
- Specialist college programmes
- Supported employment
- Paid employment
- Hybrid college/work placements
- Community-based bespoke packages

★ Increase in Young People Entering Paid Employment

A higher number of young people secured paid work, either directly or through supported employment pathways.

★ Increase in Applications for Higher-Level Courses

There was a notable rise in young people applying for:

- National 5 level courses
- Specialist vocational training
- Skills-based college programmes

This reflects the confidence, independence and employability skills developed through POYPIN.

★ Growth in Bespoke Community Packages

More young people than ever accessed:

- Individualised community placements
- Tailored work experience
- Skills-based programmes aligned to their pathways

- **Multi-agency supported transitions**

These packages were particularly impactful for young people at risk of non-positive destinations.

5. Impact Summary

Although POYPIN has now closed, the impact of the project remains significant:

- **Young people developed meaningful, transferable skills.**
- **Families reported increased confidence in transition planning.**
- **Community partners expanded their capacity to support ASN learners.**
- **Schools benefited from strengthened pathways and improved positive destination data.**
- **The project contributed to long-term cultural change around inclusion, employability and bespoke support.**

POYPIN leaves behind a legacy of innovation, compassion and transformational outcomes for young people with individual needs.

6. Closure Actions

- **All financial records set to be finalised and verified.**
- **OSCR will be notified in line with regulatory requirements.**
- **Final reports ready for submitting to relevant funders.**
- **Young people already engaged in programmes were supported to transition to alternative provision.**
- **All partners were informed of the closure.**

7. Acknowledgements

The trustees wish to thank:

- **Glasgow the Caring City**
- **The Trades House of Glasgow**
- **The Robertson Trust Fund**
- **School staff and partners**
- **Families and carers**

- **The young people themselves**

POYPIN has been a unique and powerful project, and its achievements will continue to influence practice and outcomes for years to come.

8. AOCB

Open communication with partners to ensure that the project can continue if funding from alternative sources becomes available through school funds.
