Not applicable	

Structure, governance and management

Type of governing document	Single tier SCIO Constitution
Trustee recruitment and appointment	The Trustees are recruited from the three Charities using Peterson Park Playing Fields, namely Glaschu Gaels Gaelic Football Club (SC046552), Glasgow Mid Argyll Shinty Club (SC051156)and Parent Community Sports Trust (BSC Glasgow) (SC04486). Each Charity shall have a maximum of two Trustees on the Board of Peterson Park Playing Fields Trust SCIO.

Objectives and activities

Charitable purposes	The organisation's charitable purposes are: 1. The advancement of health through the identification and provision of structured sporting activities that recognise the significant cultural and sporting heritage that these traditional field sports provide to communities within Glasgow. 2. The advancement of public participation in traditional field sports through access to activities which are facilitated by qualified coaches. These activities shall have a particular focus on Shinty, GAA sports and Association Football. 3. The provision of recreational facilities, or the organisation of recreational activities with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended, through the management of a local centre of excellence. 4. To ensure that the designated pitches are protected as Shinty, GAA and Association Football pitches and cannot be turned into other facilities without the express agreement of the respective anchor club. If any of the anchor clubs (charities) cease to exist, the decision on designated pitch protection will pass to their respective sport's governing body for their express agreement.
Summary of the main activities in relation to these objects	PPPFT manages and develops the playing fields at Peterson Park to advance health, increase public participation in sport, and provide accessible recreational facilities for specific communities of interest and the local community. Throughout the year, the Trust provided well-maintained outdoor pitches used regularly for Shinty, GAA sports and Association Football, supporting participation across a wide range of ages and abilities. The Trust ensured the site remained safe and fit for purpose through ongoing grounds maintenance and by engaging contractors to sustain pitch quality. It continued to facilitate community sport by enabling local groups to use the facilities.

APPENDIX 1

Achievements and performance

Summary of the main achievements of the charity during the financial period	PPPFT manages, maintains and develops the playing fields at Peterson Park that provide sport for several hundreds of participants. During the financial period, PPPFT: • Provided access to high-quality outdoor sports facilities for Shinty GAA sports and association football enabling regular training, matches and community participation across all age groups and abilities. • Supported the advancement of health and wellbeing by ensuring that local communities, clubs and young people had safe, well-maintained pitches to participate in regular physical activity. • Maintained the playing fields to an appropriate standard, including engaging contractors and volunteers to carry out essential grounds maintenance, repairs and seasonal pitch preparation. • Facilitated community sport through partnerships, including enabling local organisations to use the pitches such as School Sports days and a Peterson Park Gala Day. • Strengthened pathways between schools and community sport, offering opportunities for children and young people to engage in traditional field sports and benefit from structured physical activity. • Worked towards the long-term development of the site, including planning for improved pitch quality, future facility upgrades and the early stages of clubhouse development to enhance community access. • Promoted and protected the cultural heritage of traditional Scottish and Irish field sports, ensuring that Shinty and Gaelic sports continue to have a dedicated home in Glasgow and remain accessible to future generations. These activities directly support the Trust's purpose of operating a centre of excellence for traditional field sports, improving the conditions of life for local people, and ensuring sustainable and culturally significant sporting opportunities.

Financial review

Brief statement of the charity's policy on reserves	PPPFT aims to hold a small level of unrestricted reserves to ensure the continued safe operation of the playing fields and to provide a buffer for unexpected maintenance or short-term income gaps. Reserves are reviewed annually by the Trustees and any surplus beyond operational needs is designated for future site improvements and facility development. PPPFT intend to enter a 25 year lease agreement for Peterson Park with Glasgow City Council in the next 12-month period and require to ensure sufficient reserves are available for this transition period and associated costs.
Details of any deficit	N/A
Donated facilities and services (if any)	A number of used shipping containers have been donated to PPPFT in the financial period for the storage of sports equipment on site.
