

## Jackton SWI AGM May 2026

- 1 Summer Outing in May 2025 - Coach left Eaglesham at 9.30am and stopped for coffee/breakfast at Torwood Garden Centre before going onto the Bo'ness and Kennel Railway where we enjoyed a short train journey. Unfortunately due to the hot weather the steam train wasn't running. Next stop Stirling for some retail therapy and sightseeing before dinner in The Inn, Torbrev. Returned home around 9.30pm
- 2 Started back with first meeting on 8th September 2025 and over the season welcomed 5 new members.
- 3 Sadly one of our long standing members died this session, Christine Steven was a valued and talented member who will be missed.
- 4 Over the session we were entertained by 6 speakers, 1 craft meeting (diamond art led by member Sheila Clark) and enjoyed our birthday lunch on 1st December in Dalmeny Park Hotel.
- 5 Ten members have been hostesses this session. Thank you for all the lovely home baking and the raffle prizes you brought.
- 6 Monthly Competitions - there were 73 entries over the session from 24 members with 11 different winners across the 7 meetings. First place with 15 points was Sheila Clark and the runner up with 14 points was Miss Jean Wardrop. Third was Mrs Jean Wardrop, 13 points, and fourth Marrette Craig, 12 points. It was a close run thing!
- 7 We held a very successful Whist Drive in October 2025 attended by Jackton SWI members, neighbouring SWI's, and the local community. It included a raffle with many and varied prizes.
- 8 Members enjoyed a lovely evening in March at East Kilbride Village Theatre preceded by a meal in 'Once Upon a Table', EK village.
- 9 Summer Shows - we took part in 2 summer farm shows, Chapelton and Strathaven where we took 1st place in the Rural section of both shows.
- 10 Lanarkshire Federation Show in March 2026 - several members took part with a few who hadn't put entries in before. Jackton members were awarded prizes in various categories which meant Jackton won the Federation H&H trophy. We were runner up in the Millennium trophy competition and took 3rd place in the Silver Salver competition.
