At National level, Sheila flew the flag for Jackton in the Photographic competition, coming in 2<sup>nd</sup> place.

Thank you all for taking part. Our membership remains healthy.

I would like to say thank you to Anne who is retiring from the committee. She has been my secretary for the past 5 years and I thank her. Thanks also to my Vice President Helen who expertly chaired two meetings when I was unavailable, to Fiona for keeping our finances in order, to Claire in her first year as entertainments convenor, and Sheila who has quietly dealt with our competitions, Evelyn for stepping in wherever needed and Janne for organizing our speakers. It has been a pleasure working with you.

Most of all to you, the members, for coming along every month and supporting me; it's great seeing our meetings so well attended and hearing all the chat and laughter. A big thank you to you all.
