

- Planned events have been well attended and supported by members of the local community.
- Guildtown Larder is continuing to be popular with the local community. This past year has seen an increase in membership to 151 households. It has become a popular meeting place and the addition of teas/coffee and home baking being offered is greatly appreciated by those who attend. Many positive comments have been received.
- New members of the community are coming forward to offer assistance with events eg helping at the Charity Shop and volunteering at the Larder.

This report has been discussed and agreed.
