Structure, Governance and Management

Constitution

The Charity is a Scottish Charitable Incorporated Organisation (SCIO). Its current legal form was granted by OSCR on the 16 September 2021. The Charity is governed by its constitution which was adopted on the 15 September 2021.

Appointment of Trustees

The board, which normally meets every second week, are the charity's trustees. Membership of the board is open to all, and any person may be appointed at any time to a charity trustee, by way of a resolution passed by majority vote at a board meeting.

As per the constitution, there must be a minimum of three and no more than nine elected trustees.

Objectives and Activities

Charitable Purposes

To provide opportunities for young children from socially disadvantaged backgrounds in Glasgow and the surrounding area.

Activities and Performance

This year was a period of consolidation and controlled growth. This was mainly achieved through the expansion of the Rising Stars Programme to Hillpark, and the establishment of a partnership agreement with the Hillpark Secondary School for the delivery of both the sport and the mentoring part of the Programme there. A new partnership with the Voluntary Service of the Student Representative Council of the University of Glasgow will support the Programme with applications to the PVG scheme, and opens up the Programme to a wide pool of volunteers moving forward. Discussions with the sport's governing body, Basketball Scotland (BS), proved fruitful in reaching an agreement regarding the training of senior Rising Stars coaches to become BS tutors, so that in the future they can be trained in-house free of charge. Similarly, negotiations with the sport's international governing body, the Fédération Internationale de Basketball (FIBA), reached an agreement for the provision of free equipment for the support of the Rising Stars.

In terms of our internal operations, the establishment of a fundraising programme is likely to provide additional funds in the medium and the longer term, while the development of a website through which the work done is communicated to the general public is seen as critical for the future of the Rising Stars. At the strategic level, the expansion of the Programme to more areas around Glasgow will require the engagement of other universities in the city; and partnerships with local basketball teams to create viable pathways for participants in the Programme.

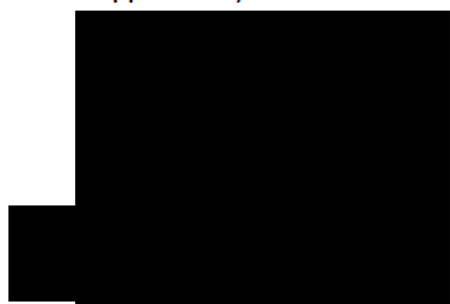

Looking at measurable performance, six (10) new junior coaches were trained and joined the Programme. A total of twenty (12) practice sessions at a group of twelve (15) pupils at the Hillpark Secondary, while ten (10) basketball sessions were delivered to each of the four (4) feeder primary schools in the area. Finally, on the mentoring side, five (5) pupils from Hillpark Secondary were selected to receive year-round tutoring, as part of our partnership with the Voluntary Tutors Organisation.

Financial Review

Our main source of funding this year came from primarily from grant providers, such as The Robertson Trust, National Lottery Awards for All, and Glasgow City Council. In early 2024, we hosted a charity tournament through our university club partners, and raised £471 for the charity. No other formal fundraising events have taken place since, but the Rising Stars team are looking forward to taking part in the Great Scottish Run in September 2024.

The costs associated with this years' activities were lower than anticipated, as our volunteer coaching related expenses were lower than anticipated. Additionally, there were no costs associated with our tutoring programme. Our main costs for the year were associated with ordinary running costs and several expenses to host our end of term tournaments for those who participate in Rising Stars.
