THE RED SQUIRREL SURVIVAL TRUST LIMITED

REPORT OF THE TRUSTEES **FOR THE YEAR ENDED 30TH SEPTEMBER 2025**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30th September 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Red Squirrel Survival Trust (RSST) is a national charity established to ensure the conservation and protection of the red squirrel in the United Kingdom. The principal activity of the charity is the provision of grants and support to partner organizations that carry out work in line with our core objectives.

The charity has six core objectives that drive its programme of work:

1. Raise awareness of the plight of red squirrels
2. Protect red squirrels by keeping red and grey squirrels apart
3. Fund research on how to secure the long-term future of the red squirrel in the UK
4. Encourage successful populations of red squirrels
5. Reintroduce red squirrels within the UK where conditions are right
6. Secure the red squirrel's natural environment by ensuring our woodlands are healthy

Public benefit

In setting its programme each year RSST has regard to the Charity Commission's revised general guidance on public benefit. The long-term aim for the public benefit is the restoration of the red squirrel to its natural habitat throughout the United Kingdom.

Grantmaking

To ensure that the charity maintains a robust and transparent approach to grant making and partner support, RSST operates a standardised grant application system. A Grants Committee comprising three trustees processes grant applications on behalf of the board of trustees.

THE RED SQUIRREL SURVIVAL TRUST LIMITED

REPORT OF THE TRUSTEES **FOR THE YEAR ENDED 30TH SEPTEMBER 2025**

ACHIEVEMENTS AND PERFORMANCE

RSST has continued to pursue its objectives and principal activities at a national level, working with government and agencies to promote red squirrel conservation and the critical associated issues of grey squirrel and woodland management at a strategic level, to the benefit of those red squirrel conservation organisations working regionally in the constituent parts of the United Kingdom.

The principal focus in 2025 still remained the RSST's leading role in supporting the work of the UK Squirrel Accord, the coalition of now 47 national signatory organisations including the Government, devolved national governments, forest industry, and the major voluntary and private sector bodies active in all aspects of squirrel and squirrel habitat conservation. RSST continues to provide the Chairman, Secretary, and an additional member of the Accord's executive committee, while the part-time Accord Director is a conservationist with a national charity background, funded largely at present by the Forestry Commission and subordinated to RSST for the purposes of line management and administration.

A significant fruit of RSST's broad, collaborative, and all-inclusive approach is the programme of research into fertility control of the grey squirrel population at Defra's National Wildlife Management Centre (NWMC) laboratories at the Animal and Plant Health Agency (APHA), which has continued successfully to meet its objectives. A safe, effective, commercially available, and affordable means of fertility control will offer a non-lethal supplement to shooting and trapping greys in those areas where overpopulation is causing displacement into already threatened red habitats as well as devastation of native woodland, which will have disastrous consequences for biodiversity across the British Isles unless checked. Grants totalling £85,402 were made to APHA in the period from money set aside for this purpose. In all, grants totalling £183,427 were made in the year.

Significant public impact continues to be made by RSST's Ambassadors, the wildlife photographer and film maker Dani Connor, whose work achieves wide circulation through social media and online, and the gardener, author and broadcaster Alan Titchmarsh.

In 2026 we will continue our work with the UK Squirrel Accord, including the development and promulgation of the Accord's new multi-year strategy. We shall continue meanwhile to develop our educational mission and our support to red squirrel volunteer groups.

FINANCIAL REVIEW

Financial position

At 30th September 2025 the charity had funds of £433,133 of which £258,590 were restricted in nature.

Reserves policy

Unrestricted funds are retained to meet the following:

- four months' operating costs
- firm commitments to specific projects or partnerships
- working capital requirements

This policy is to be reviewed annually.

FUTURE PLANS

We shall:

1. Continue our work with the United Kingdom Squirrel Accord, especially in the field of fundraising for the important and exciting research at APHA.
2. Continue to work with volunteer groups to improve awareness of red squirrel conservation activity across the UK and to provide readily accessible information to the wider public.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
THE RED SQUIRREL SURVIVAL TRUST LIMITED**

Independent examiner's report to the trustees of The Red Squirrel Survival Trust Limited ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30th September 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE RED SQUIRREL SURVIVAL TRUST LIMITED

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30TH SEPTEMBER 2025

1. STATUTORY INFORMATION

The Red Squirrel Survival Trust is a charity registered in England and Wales and also Scotland. The charity's registered number and registered address can be found in the Trustees' Report.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Tangible fixed assets are stated at cost less depreciation. Awards and trophies have been capitalised in the accounts at market value at the time they were donated. The current value of the awards and trophies is equal to, or in excess of, the amount at which they were capitalised and no provision for depreciation has therefore been made.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
