Report of the Trustees

The Trustees present their report and accounts for the year ended 31 December 2025.

Objectives and Activities

The objectives of the Church are to worship together in Spirit and truth, build the members up in the Faith and to proclaim the Gospel of Jesus Christ in word and in action. The Church aims to develop as a healthy Christian community, to serve the local neighbourhood and to make a global impact.

The objectives of the Church are fulfilled through the following activities:

- Offering regular opportunities for worship, community and mission.
- Ensuring our building is used to strengthen and support local community wellbeing
- Investing time and energy in our local schools and community centres.
- Providing holistic pastoral care for the church and local community through its pastoral and practical care teams, with an equal emphasis on all ages – from toddlers to the elderly.
- Providing a peaceful space for friendship and support through its Community Cafe.
- Partnering with local business and government organisations to provide local community events.

Achievements and Performance

2025 was a year of consolidating and refining many of our core activities in the community. We continue running our parent and toddler group, which has significant engagement from local families, with 80 families currently registered, and we have added a PEEP group, running in conjunction with Aberdeen City Council. We continue to run Make Lunch which invites local primary school children who are eligible for free school meals to have a healthy hot meal in a holiday club environment during the school holidays. This project receives financial support from the ‘Summer in the City’ local council funding scheme.

The Peep Group is a new initiative in collaboration with Aberdeen City Council to allow peer-to-peer support of young mothers in the community. This is well attended and we aim to continue this through 2026.

We also partnered with Westminster Theological College (WTC), a not-for-profit teaching organisation, by opening the church building as the local ‘hub’ for people undertaking theological studies with them in the Northeast of Scotland. WTC students gather weekly to learn in person and in community together. This has worked well and our partnership agreement has been extended into 2026.

We continued to invest in a quality setup for hybrid meetings for all our main gatherings (Sunday services, members meetings, leadership meetings). While this has become normal, and is working well, we do feel led to encourage in person attendance whenever possible. People with issues of personal mobility, health etc. continue to be fully supported by online interaction and support.

At the end of 2025, one of our two Ministry Associates has left our organisation in order to move to East Kilbride, while the other is currently on maternity leave.

Northfield Family Church continues in the local community centre, with the full endorsement of the community centre board of trustees. This is a fun, family-friendly environment for local people to spend quality time in songs, creative games, baking, and hearing the gospel message. We have regular connection with several local families now and will be looking to continue this work in 2026.

During 2024 we pioneered ‘Life Church’ which led to two distinct small church groups starting in the Hazlehead and Berryden areas of the city. These groups offered the support of the larger church but in smaller, more intimate groups, where strong relationships could grow. By the end of 2025, the Hazlehead group was becoming self supported and resourced, while the Berryden group was ceasing as one of the Ministry Associates who was hosting that group moved away from Aberdeen.

SHEDDOCKSLEY BAPTIST CHURCH SCIO
TRUSTEES REPORT
FOR THE YEAR TO 31 DECEMBER 2025 (continued)

The trustees continue to develop opportunities for external hire of the building on Eday Walk in order to both provide an extra revenue stream but also to become a place of hospitality, which aligns with our faith. This may lead to the introduction of a new staff role in 2026 to enable both facilitation of meetings and promotion of the facility.

Financial Information

Overall income increased from last year to £270,841 (2024 - £319,029).

The Church continued its support to local and international causes through donations from the Giving Fund. In January 2003 the Members agreed to set-up a giving fund, designating 12.5% of all income (excluding specific mission and building donations) to make donations to various organisations as agreed by the Trustees. The Trustees are pleased to report that £30,723 was set aside from total relevant income to local, national and international causes.

There was a surplus for the year of £14,336 (2024 – deficit £36,798) and reserves of £902,515 (2024 - £888,179) details of which are given in the accounts and notes. It is the policy of the Church to fund activity from ongoing revenue rather than to accumulate reserves. There is sufficient confidence in continuation of regular donations and therefore it is considered appropriate to present the activities and financial results on a going concern basis.

Risk management

Where appropriate, systems or procedures have been established to mitigate the risks the charity faces. Many of these risks are covered by insurance and in relation to financial risks there are procedures for the authorisation of expenditures and the minimisation of risk of fraud.

Structure, Governance and Management

The Church is established by Constitution, which was updated in June 2024, is registered with the Office of the Scottish Charity Regulator (OSCR) as a Scottish Charitable Incorporated Organisation under reference SC052163 and for taxation purposes with HM Revenue and Customs under reference ST05408.

The Church is congregational in policy and decision making although the day-to-day organisation and administration is undertaken by the Church Leadership (Trustees). The Church Leadership is comprised of the appointed Ministers and others appointed following election by the Members at a Church Meeting.

Statement of Trustee's responsibilities

The Trustees are responsible for preparing their Annual Report and Financial Statements in accordance with applicable law and United Kingdom Accounting Standards (UK GAAP).

The law applicable to charities in Scotland requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing financial statements which give a true and fair view, the Trustees should follow best practice and:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ascertain the financial position of the charity and which enable them to ensure that the financial statements comply with the applicable law and regulations. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

SHEDDOCKSLEY BAPTIST CHURCH SCIO
NOTES TO THE ACCOUNTS
FOR THE YEAR TO 31 DECEMBER 2025

1 Basis and accounting policies

1.1 Basis of accounts preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), Section 1A “Small Entities” of the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and Accounting and Reporting by Charities: Statement of Recommended Practice (FRS 102) second edition issued October 2024.

Exemption is taken from the requirements of FRS 102 to prepare a Cash Flow Statement on the grounds that it is a small entity.

1.2 Accounting policies

The principal accounting policies are summarized below. The accounting policies have been applied consistently throughout this and the preceding year.

a) Income recognition

Donations and grant income is accounted for when the charity is legally entitled to the income and the amount can be quantified with reasonable certainty.

b) Accounting for expenditure

Expenditure has been accounted for on an accruals basis and classified under headings that aggregate all costs related to a category. Where costs cannot be directly attributed to headings, they have been allocated on a basis consistent with the use of resources.

c) Depreciation

Depreciation is provided on all tangible fixed assets in use at rates calculated to write off the cost less estimated residual value over its expected useful life as follows:

PA & Office equipment	- over 5 years
Land	- not depreciated
Heritable property	- over 50 years
Furniture & fittings	- over 5 years
Tenants Improvement	- over 10 years

It is the view of the Trustees that the value of the heritable property on a current use basis is not significantly different from the amount stated in the accounts and so no independent valuation has been sought.

e) Fund accounting

Restricted funds are subject to specific use requirements declared by the donor but still within the wider objects of the charity. A Giving Fund is established annually for the disbursement of a proportion of the annual voluntary donations to the Church. All other funds are unrestricted and can be used in accordance with the charitable objectives at the discretion of the Trustees.

f) Donated services and facilities

Donated services and facilities are recognised as income when the charity has control over them, any related conditions have been met, the receipt of the economic benefit from use is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), general volunteer time of congregation members is not recognised. Donated services and facilities are recognised on the basis of the value to the charity being the amount the charity would have been willing to pay for services or facilities of equivalent economic benefit. A corresponding amount is recognised as expenditure in the period of receipt.

g) Taxation

Sheddocksley Baptist Church SCIO is recognised as a charity for the purpose of applicable taxation legislation and is therefore not subject to tax on its charitable activities. The charity is not registered for VAT and expenditure therefore includes irrecoverable input VAT.

SHEDDOCKSLEY BAPTIST CHURCH SCIO
NOTES TO THE ACCOUNTS
FOR THE YEAR TO 31 DECEMBER 2025

h) Pensions

The Church is an employer within the Ministers' Section of the Baptist Pension Scheme which has been a Defined Contribution scheme since January 2012. Prior to January 2012 this was a Defined Benefit scheme – all liabilities relating to this scheme have been fully met. Other church staff members are provided with pension benefits within a separate Defined Contributions Scheme which complies with the requirements of Auto Enrolment.

The church received donations to be passed on to charitable organisations, both national and international, and to individuals working for a UK charitable organisation.

12 Contribution of volunteers

In common with most churches, the church benefits substantially from the contribution made by volunteers who give their time and talents willingly for the benefit of the activities of the church. All areas of church life rely on the contribution of volunteers and much of the activity would be unable to continue were it not for the commitment shown.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES of
SHEDDOCKSLEY BAPTIST CHURCH SCIO
FOR THE YEAR TO 31 DECEMBER 2025**

I report on the accounts of the charity for the year ended 31 December 2025 which are set out on pages 3 to 12.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulationshave not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
