**Scottish United Reformed and
Congregational College**

**Report of the Trustees
for the Year Ended 30 September 2021**

The trustees present their report with the financial statements of the charity for the year ended 30 September 2021. The trustees have adopted the provisions of **Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)** (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The principal task of the College is to train men and women for ministry in the United Reformed and Congregational Churches.

Significant activities

The College is a charity with educational purposes for the preparation and on-going learning of the ministry of the Church within the United Reformed Church and Congregational Churches. It is recognised by the United Reformed Church Assembly as a resource centre for learning. Under a partnership agreement, it provides education and training services for the Synod of Scotland of the United Reformed Church for the development and support of the ministry of the whole people of God.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The principal task of the College is to train individuals for ministry in the United Reformed and Congregational Churches. This has been the sole activity during the year. In the course of this year, the College has been responsible for initial ministerial education with ordinands entrusted to it by the United Reformed Church, including direct educational delivery, liaison with educational partners and management of placements. It makes provision for ministerial continuing education through direct delivery of educational courses, educational guidance to ministers and others in authorised ministries, management of learning programmes and educational grants and educational advice to the church. Since March 2020 training and education has taken a very different course due to the pandemic with much more on line and distance learning. Where in person sessions have been possible in a Covid secure way these have taken place.

Investment performance

Our underlying investments have reduced due to the impact of COVID on the stock market. The reduction in the value of the FTSE 100 was just over 2% in the accounting period. The college investment portfolio showed a growth in value of about 8% which gave re-assurance that our investment policy is meeting needs.

FINANCIAL REVIEW

Principal funding sources

The College's principal source of external funding is education fees for students. Internal funding is delivered from reserves and a gradual spend down of the reserves. As at the date of this report ongoing discussions were still taking place with the main funder to agree a new long-term basis for calculation of payment. An interim settlement had been agreed for 2021 - 2022 which covers a significant part of the substantial shortfall being seen.

Investment policy and objectives

The College's investments are managed on a discretionary basis by stockbrokers Rathbones. The instructions given are for a policy of balancing income and capital growth. The policy on investment was formally reviewed in February 2020 by the Management Committee and the updated policy was provided to our stockbrokers.

The College, following Union of the United Reformed Church and the Congregational Union of Scotland, considered it appropriate to adopt the wider United Reformed Church Policy on investment and refuse to invest in organisations which generate a significant proportion of their profit from the sale or production of alcohol, tobacco, carbon energy and weapons. This position was re-confirmed as part of the overall investment policy review in February 2020.

Reserves policy

The long term aim of the Management Committee is that year on year the running costs of the College should be met from recurring revenue sources. Unrestricted funds should be held at such a level that emergency expenses can be incurred promptly in the interests of, for example, health and safety. The College's unrestricted funds exceed the short term requirements outlined above.

FUTURE PLANS

With this legal entity closing as a charity at 31 December 2021 there are no formal future plans. All assets and any liabilities have been transferred to the successor body as of 1 October 2021. As at the date of this report all activity is now being undertaken by the successor organisation.

**Scottish United Reformed and
Congregational College**

**Report of the Trustees
for the Year Ended 30 September 2021**

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The College has origins dating back to 1811 and is governed by a constitution. The college is an unincorporated organisation.

The membership and the trustees decided in 2019 that the college should change its legal status and become a Scottish Charitable Incorporated Organisation (SCIO). The work to create the new organisation called The Scottish College (Congregational & United Reformed) with a charity number SC051195 has been completed. Members and trustees have agreed the transfer of assets and liabilities which took place on 1 October 2021. This organisation ceased to be a charity on 31 December 2021.

Trustee appointment

Interim vacancies for trustees are filled by the existing trustees until the following Annual Meeting of the College. Such power to appoint is agreed at the Annual General Meeting for the period until the following AGM. Trustees are thereafter elected at the Annual General Meeting in line with the constitution.

Organisational structure

The affairs of the College are governed by the Annual General Meeting which determines overall policy. Responsibility for implementing policy is delegated to the College Management Committee and the Principal is accountable to this committee for academic leadership and for the management of the college's life within said policies. Limited delegated financial powers have been agreed to ensure effective administration of the College.

Induction and training of new trustees

New trustees are given on-going guidance to ensure that they are familiar with the College's values, aims and objectives together with its day to day operations, in addition to clarifying their statutory responsibilities as trustees of the charity.

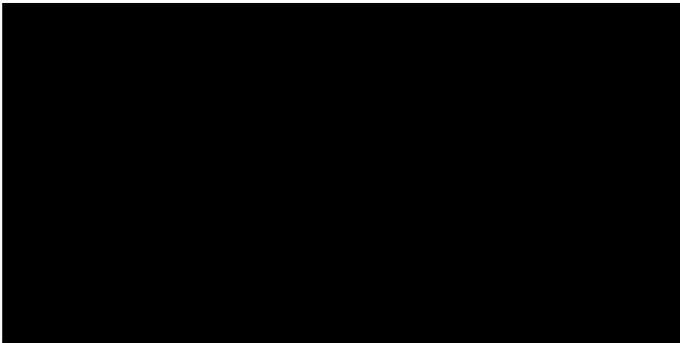

Risk management

The Management Committee have assessed the major risks to which the charity is exposed and are satisfied that systems are in place to identify and mitigate the exposure to major risks. Our main risks are: deflation, impacting the value of investments and our property asset; recession following COVID with impact upon income; a critical dependency on one external funder (United Reformed Church), unexpected liabilities for the office building we purchased in 2019; and the College has recognised that there is a key person risk. Mitigation of the key risks have been identified and are being acted upon.

**Report of the Trustees
for the Year Ended 30 September 2021**

Approved by order of the board of trustees on 15 February 2022 and signed on its behalf by:

**Independent Examiner's Report to the Trustees of
Scottish United Reformed and
Congregational College**

I report on the accounts for the year ended 30 September 2021 set out on pages five to thirteen.

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity's trustees consider that the audit requirement of Regulation IO(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

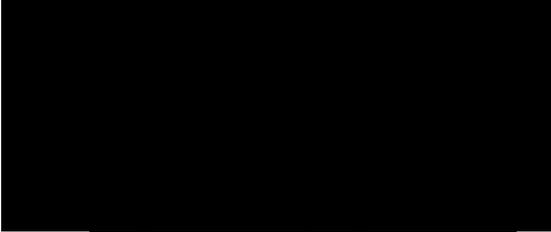

In connection with my examination, no matter has come to my attention :

(1) which gives me reasonable cause to believe that, in any material respect, the requirements

to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

in order to enable a proper understanding of the accounts to be reached.

**Notes to the Financial Statements
for the Year Ended 30 September 2021**

I. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities and Trustee Investment (Scotland) Act 2005. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs

Governance costs include those incurred in the governance of the charity and its assets and are primarily associated with constitutional and statutory requirements.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Improvements to property	20% on cost
Fixtures and fittings	33% on cost
Computer equipment	33% on cost

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for the following:

Property Reserve Fund: Restricted to be used on upkeep of property.

Bursary Funds: Restricted to be used for the provision of assistance to students under the auspices of the College

Miss Baxter's Scholarship Trust: restricted for the funding of student scholarships

Permanent Endowment Funds:

Miss Baxter's Endowment Account: Restricted for use in respect of expenses of the College Principal.

Pension costs and other post retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Investments

Investments are shown at market value with the exception of the College feu duties and ground annuals which are shown at cost. Net realised and unrealised gains and losses are included in the statement of financial activities.
