The Norman Fraser Design Trust

Report by Trustees for the year to 30 September 2024

Appointment of trustees

As stipulated in the Trust Deed, there are to be at least five Trustees: two Industrial Trustees with commercial experience, preferably in an Engineering Company, having their principal place of business in Arbroath in Angus, or within a fifty mile radius thereof; two Educational Trustees each currently or formerly employed in an Engineering related department or holding a Chair of Engineering at a Scottish Institution of Further Education; and a Legal Trustee, being a solicitor with recent experience of legal practice and holding a full practicing certificate or any future equivalent of the same issued by the Law Society of Scotland or any successor to the same. Such Trustees shall be appointed for a specific period not exceeding five years, but shall be eligible for re-appointment on the expiry of the said period.

The Trustees have the power to appoint additional Trustees as they believe would be of assistance in the performance of their functions. Such additional Trustees shall be appointed for a specific period not exceeding five years, but shall be eligible for reappointment on the expiry of the said period.

Trustees are nominated by the then existing Trustees and their appointment confirmed by formal Deed of Assumption.

Agents and Administrators for the Trust (and principal address of the Charity)

Thorntons Law LLP, Whitehall House, 33 Yeaman Shore, Dundee DD1 4BJ.

Investment Managers

Rathbone Investment Management Limited, ('Rathbones') George House, 50 George Square, Glasgow G2 1EH.

Independent Examiner

Anderson Loggie LLP, The Vision Building, 20 Greenmarket, Dundee DD1 4BQ.

Charity Reference Nos

Scottish Charity No: SC 013111

Constitution and Objects

Deed of Trust dated 10th December 1968.

The Trustees made an application to OSCR for approval of a reorganisation scheme for the Trust, which was approved by OSCR on 7 June 2013. The principal purposes of this application were (a) to widen the objects of the Trust (while maintaining the emphasis on engineering) and (b) to put on a more practical basis the requirements regarding the appointment of Trustees.

The Norman Fraser Design Trust

Report by Trustees for the year to 30 September 2024 (cont)

David Barnet Christie Trust

During the year ended 30 September 2014 Investments and cash to the value of approximately £56,000 were received from David Barnet Christie's Trust ('DBCT') representing approximately **5.3%** of the value of the Norman Fraser Design Trust as at 30th September 2014.

The trustees have resolved that the funds transferred from 'DBCT' should be held in a designated fund to be used primarily for supporting under-graduate students and expressly not for prizes or engineering development unless at any time there were either insufficient applications from students or insufficient applications of an appropriate quality from students, in which event the trustees would have freedom to use the funds as they thought appropriate.

The trustees have further agreed that, subject to adjusting for future distributions from the either the main or the DBCT fund, the 5.3% figure shall be used to determine the value of the DBCT fund and its share of the trust's income.

Risk Management

The trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the trust, and are satisfied that systems are in place to mitigate exposure to those risks.

Financial Position

The financial results for the year are as set out on Pages 6 and 7.

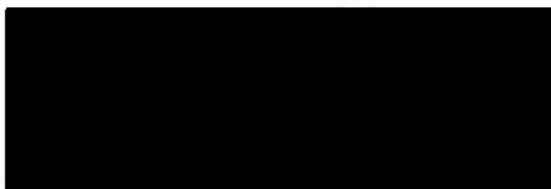

Reserves Policy

The reserves of the trust originate from the initial bequest, an additional bequest of the residue of Norman Fraser's 1964 Trust, and funds transferred from David Barnet Christie's Trust together with any movement in the value of investments and accumulated revenue. The trustees have adopted a reserves policy that should ensure the continuing ability of the Trust to meet its objectives.

The level of free reserves as at 30 September 2024 was £1,133,584 (2023 - £1,061,402), apportioned thus:

	2024	2023
General Fund	1,060,048	992,770
D B Christie Fund	<u>73,536</u>	<u>68,632</u>
	<u>1,133,584</u>	<u>1,061,402</u>

Approved by the Trustees and signed on their behalf:

10 June 2025

Date

The Norman Fraser Design Trust

Report by Trustees for the year to 30 September 2024 (cont)

Constitution and Objects (cont)

The Trust's objects as amended are:-

- (i) to provide financial assistance to enable any one or more individuals preferably, but not necessarily, holding the qualification of Chartered Engineer to enable them to undertake either whole time or part time undergraduate, post graduate or other studies in the United Kingdom or overseas.
- (ii) The advancement of education in the Engineering field by the provision of finance to assist in the building, establishing, equipping or maintaining of or in recruitment of students or staff for a place or places for the furtherance of the studying of Engineering and involving close collaboration between the engineering department of any one or more of the universities in Great Britain or other institutions of further education on the one hand and industry on the other hand.
- (iii) To fund scholarships to facilitate work experience for Engineering students or potential Engineering students.
- (iv) To support research and development work associated with Engineering in any Institution of Further Education.
- (v) To assist with the promotion of new Engineering business created by Research and Development Centres in Institutions of Further Education, leading to possible commercial exploitation.
- (vi) In carrying out the foregoing objects, the Trustees shall have an unfettered discretion to commit Trust funds from time to time, whether Capital or Income, to either of the objects specified to the exclusion of the other or partly to one and partly to the other as they may determine and shall not be required to account to any beneficiary or prospective beneficiary or any others for their decision or decisions in selecting any particular object.

"Institutions of Further Education" includes Universities and Further Education Colleges and such other educational institutions as, in the Trustees unfettered discretion, would be suitable bodies to facilitate the expenditure of the Trust Funds.

"Engineering" includes mechanical, software and computer engineering.

Organisation

The day-to-day administration is carried out by Thorntons Law LLP, as agents for the Trust. The Trustees meet as and when required to review applications for donations and other aspects of the Trust's affairs.

Investment Policy and Performance

There are no restrictions in the Deed on the trustees' power to invest. The policy is, long term, to adopt a medium risk investment strategy, including equity investments, to produce a balance of income and capital growth.

Rathbones classify the Trust's investment strategy as Medium/High risk.

Activities and Achievements

During the year grants totalling £61,933 (2023 - £23,070) were paid to local Universities and Colleges in pursuance of the trust purposes noted above.

Independent Examiner's Report to the Trustees of the Norman Fraser Design Trust

I report on the accounts of the charity for the year ended 30 September 2024 which are set out on pages 6 to 10

This report is made to the trustees, as a body, in accordance with the terms of my engagement. My work has been undertaken to enable me to report my opinion set out below and for no other purpose. To the fullest extent permitted by law I do not accept or assume responsibility to anyone other than the trustees, as a body, for my work or for this report.

Respective responsibilities of trustees and examiner

The trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The trustees consider that the audit requirement of Regulation 10(1) (d) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

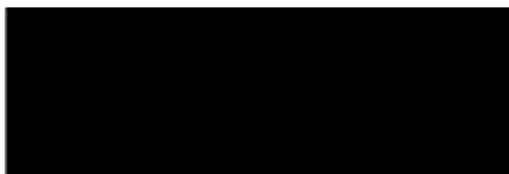

Basis of independent examiner's statement

My examination is carried out in accordance with regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations
 have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The Norman Fraser Design Trust

Notes to the Accounts and General Notes regarding Financial Services and Markets Act 2000, Law Society Rules and related matters

1. Accounting Policies

Basis of Preparation

The Accounts are prepared in accordance with the Charities Accounts (Scotland) Regulations 2006 (as amended).

2. Investment Managers

The Trustees approve the continued appointment of the Investment Managers as detailed in the Report of the trustees in these Accounts, and on the same basis as contained in the Investment and Financial Services Terms of Business Agreement currently in force.

3. Independent Examiner

The Trustees approve the continued appointment of the Independent Examiner as detailed in the Report of the trustees in these Accounts.

4. Going Concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.
