

There was a unanimous agreement at the AGM in 2023 that the hall really needed improvements for the community to continue to use the hall, with the urgent ones being the toilets, water and electric.

The main aim of the Committee and the Community was to upgrade the Hall, including the toilets and kitchen area and create a storage area within the hall for tables, chairs and equipment for Taekwondo. We also wanted to make the hall usable throughout the year by insulating as much as possible and sorting the issue with the water which had previously meant shutting everything off in the winter. We also wanted to address high electricity costs.

Renovations started on 10 January 2024 with stripping out the Hall. The old kitchen was removed and replaced, and the toilet area was completely gutted creating a new disabled toilet and cupboard area for water UV treatment and a water heater. A fully repainted Hall inside and outside with the roof being checked and repaired where necessary and loft space and inside hall fully insulated where possible. A new electricity contract helped us save costs. New curtains, a wall mirror for Taekwondo and cupboard space for storage was delivered and now available for the local community to use again.

We have achieved all of that with the incredible support from locals, friends, companies, grants and donations. Our Hall is now well equipped, insulated, usable and good to look at too. We opened the Hall in June with a celebration for all the work, help, support and renewal of our community space which was very well attended, with great comments about what had been done.

The Summer BBQ was held and extremely well supported and the Warm Space Coffee Mornings, organised locally and supported by PKC, and Taekwondo continue to use the Hall. The Hall has been used for parties, meetings, celebrations and local get togethers. We had our Christmas Shoot Presentation and Kids Party in December, to be followed by our New Year Dance on 1 January 2025.

We have started the Georgetown Hall Lotto for locals, which will begin at the New Year Dance with a special draw of £100 cash along with monthly draws of 1st prize £25 and 2nd prize £15. Lotto tickets sold well and we are in profit before we start and is a great way to give back something to our supporters as well as raise money for the Hall.

Aim for 2025

Now that we have the inside of the Hall refurbished and being used well, we wish to have more events like Pot Luck Suppers, Bingo Nights, Quiz Nights along with our normal yearly events and hires. We need to concentrate on the outside of the Hall, eg paving, gravel, guttering, a new notice board and sign for the Hall to make it look as good as the inside does. Grants will be applied for to help us do this along with funds remaining from the fundraising in 2023/2024 and new fundraising in 2025.
