#### Structure, governance and management

Type of governing document

The Organisation was founded in 1972 and is governed by our Constitution, as amended from time to time.

The current trustees of the Organisation were nominated and appointed from the general Committee. The appointments were agreed by a meeting of the general Committee and approved by unanimous agreement of the whole Committee.

Trustee recruitment and appointment

#### Objectives and activities

#### Charitable purposes

To promote traditional bagpipe & drum playing. We compete under the auspice of the Royal Scottish Pipe Band Association (RSPBA) by the presentation of public performance and other related activities. Giving local and national youth the opportunity to learn, educate & play in a Scottish Pipe Band, thereby encouraging & enabling them to advance from Novice Juvenille to Grade 1.

# Summary of the main activities in relation to these objects

We are a self-funding organisation and during the course of this financial year we have continued to provide in person tuition and practicing. Practice meetings take place 2-3 times a week for all levels. This covers complete beginners to experienced players over all age groups. All tuition is provided by dedicated tutors and experienced playing members. All tuition is provided by volunteers. Public performances by both bands in support of local gala days (West Lothian). Both bands competing at R.S.P.B.A organised competitive events.

#### Achievements and performance

# Summary of the main achievements of the charity during the fiancial period

We have 2 bands competing – Novice B and Grade 1. In recognition, our organisation still maintains a regular practice schedule, meeting twice per week as standard and increasing to three times per week in preparation for Major competitions.

Other notable musical achievements were the opportunities playing at the

Avenches Tattoo, Festival de Ortigueira & playing at Scotland Rugby home games at Murrayfield. The Novice B band also performed at various gala days and processions throughout West Lothian. Our organisation continues to be approached to support with high profile events such as those noted above not just for our professionalism but also for our reputation of housing the best young talent performing at the highest levels. We are very fortunate to be offered such opportunities. Our organisation takes a deliberate decision not to send our most senior bandsmen and women to these events. We use these opportunities both as motivation and as reward for practice and dedication. During 2024 we were able to maintain a sponsorship deal with People's Ford to the value of £15,000. This support has helped towards funding additional band practices, replacing equipment and various items of kit. The financial security this sponsorship has provided since 2014 has allowed our playing leadership to focus their efforts in to developing our band. We are seeing all bands achieving success on the competition field. A lot of hard work goes in to running our organisation which is entirely run by volunteers. Our leaders (both musical and committee) regularly come together to review our finances, policies and plan for the following year. We are confident we have laid the foundations for a successful 2025 season and that the future of our organisation is secure for a further year. The band was fortunate enough to perform the 'Pre Worlds Concert' at the Glasgow Royal Concert hall to a sell-out audience of almost 2000 people. Both bands had successful results during the year with the Grade 1 band becoming British Champions and the Novice Juvenile B band placed at 3 major championships, including 3rd place at the World Pipe Band Championships, securing their promotion to Novice Juvenile A for the 2025 season.

#### Financial review

Brief statement of the charity's policy on reserves

We as an organisation try to maintain a minimum of £35,000 in our current account when possible. This will enable our organisation to continue to operate & meet our charitable purposes, should our income levels fall for any reason.

#### Notes to the Accounts for the year ended 30 September 2024

#### 1. Basis of accounting

These accounts have been prepared on the Receipts & Payments basis in accordance with the Charities & Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

#### 2. Independent examination

The role of the independent examiner is to provide an independent scrutiny of the accounts each year. To maintain public confidence in the work of charities, charity law sets out the reporting, filing and external scrutiny obligations on trustees.

#### 3. Nature and purpose of funds

Unrestricted funds are those that may be used at the discretion of the trustees in furtherance of the objects of the charity. The trustees maintain a single unrestricted fund for the day-to-day running of the charity. Restricted funds may only be used for specific purposes. Restrictions arise when specified by the donor or when funds are raised for specific purposes. During the year, no restricted funding was received.

#### 4. Grants received

No grant funding was received during the financial year.

#### 5. Trustee remuneration

No honoraria or any other payments of remuneration were made to office bearers during the financial year.

#### 6. Trustee expenses

Three (2022/23: two) office bearers were reimbursed for payments totalling £4,494 (2022/23: £1,794) which they paid personally on behalf of the charity during the financial year.

#### 7. Transactions with trustees and connected persons

No transactions between the charity and any charity trustee or person connected to a charity trustee (a connected person) took place during the financial year.

#### 8. Concert

During the year the organisation performed at a concert at the Glasgow Royal Concert Hall. The organisation is still to finalise the production of an album of a recording of the performance, with projected associated costs estimated to be in the region of £10,000 - £15,000 by the 2024/25 year end. The expected net position by the 2024/25 year end is therefore break even or a small loss. Revenue for the year 2023/24 includes both fee and crowdfunder contributions and costs for 2023/24 are those invoiced and paid prior to the 2023/24 year end.

#### 9. Charitable donation

During the year the organisation performed at and supported a concert in aid of The Children's Cancer Unit Charity (CCUC). As part of this, a cash donation was made by the organisation to support the event (by subsidising the CCUC's costs to the sum of £744) and the CCUC in general. The total amount donated by the organisation to the CCUC was £2,000.
