FOR THE YEAR ENDED 31 MARCH 2022

Structure and governance

The Scout Association was incorporated by Royal Charter in 1912. Its powers include the appointment of local bodies for the management of its affairs in any particular part of the United Kingdom; under these powers its affairs in Aberdeen are delegated to the Scottish Council, and then to the City of Aberdeen District Scout Council for the management of its business.

The City of Aberdeen District Scout Council has its own Constitution and is recognised as a charity by the Office of the Scottish Charity Regulator, under reference number SC033700, and in accordance with the provisions of The Charities and Trustees Investment (Scotland) Act 2005.

Bye Laws authorise the making of rules for the regulation of the Association's affairs. These have become known as "Policy, Organisation and Rules" and they establish the structure of the organisation, define its training and provide its administration. Within the policy frame-work as defined in "P.O.R." local decisions are made under a wide range of headings. The devolution of authority to Regions, Districts and Groups is clearly indicated where appropriate.

Recruitment and appointment of the Executive Committee

The methods, policies and procedures for recruitment, appointment, induction and training of new trustees is in accordance with "Policy Organisation and Rules of the Scout Association" with additional material from "OSCR Guidance for Charity Trustees".

Objectives and activities

The aim of the Scout Association is to promote the development of young people in achieving their full physical, intellectual, social and spiritual potentials, as individuals, as responsible citizens and as members of their local, national and international communities. The method of achieving the aim of the Association is by providing an enjoyable and attractive scheme of progressive training, based on the Scout Promise and Law and guided by adult leadership.

Financial Results

The financial statements are prepared on a receipts and payments basis.

The results for the year show a decrease in funds of £9,653 (31 March 2021 - increase in funds of £3,290).

The Executive Committee is confident that its future activities will generate a surplus sufficient to ensure the financial security of the City of Aberdeen District Scout Council.

Impact of Covid-19

The coronavirus pandemic had a significant impact on the operations of the Scout Association in Aberdeen, with activities restricted for the majority of 2021 to online/virtual Scout meetings only. In particular, Templars' Park Scout Campsite had significantly reduced activity and very limited income throughout 2020/21 and both the 2021 and 2022 Aberdeen Gang Shows were postponed (having been able to complete the 2020 show prior to lockdown restrictions). The financial impact was reduced income generating activities with some reduced expenditure. Given this, the Executive Committee took appropriate measures to manage the limited activity, reduce expenditure where possible and obtained available government funding to support individual Group's and mantain sufficient funds in the charity. As we have moved out of the pandemic with funds maintained, activities and related income and expenditure have returned to pre-covid-19 levels.

Reserves policy

The reserves policy maintained by the Executive Committee is compliant with the guidance provided in the Charities Accounts (Scotland) Regulations 2006 (as amended).

The unrestricted funds of the charity comprise both the general fund and the designated funds. The designated funds have been set-aside for specific purposes by the Executive Committee to meet future anticipated expenditure from past surpluses. These unrestricted funds represent the free reserves of the charity and amount to £133,681 at 31 March 2022 of which £85,929 are held in separately designated funds. The Executive Committee has examined the requirement to maintain free reserves and concluded that the most appropriate level is between 3 and 9 months of expenditure.
