Objectives and activities

Charitable purposes

The prevention or relief of poverty, the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage

Summary of the main activities in relation to these objects

Constructing mini power grids in rural areas. Providing electricity access to community centres in rural Areas. Providing alternatives to traditional cooking stoves in developing countries. Educating people in developing countries on the impact of traditional fuels
In addition, by providing energy access, a fundamental aspect of energy poverty (energy inaccessibility) will be addressed. In addition, by educating people on the impacts of continuous use of solid cooking fuels, charity will be helping reduce the mortality rates attributable to energy poverty phenomenon.

APPENDIX 1

Achievements and performance

Summary of the main achievements of the charity during the financial period

The past year has been spent trying to finalise the project plans and processes for the charity. Due to different reasons, the progress of the charity has been slow.
We have successfully completed the writing of the charity's policies and processes, and we are now opening a bank account for the charity. Following that, we shall look to complete the design of the charity's website and social media pages.

Financial review

Brief statement of the charity's policy on reserves

Once the charity commences full operation, the plan is to have a year of operations funding in reserve.

Details of any deficit
