## Objectives and activities

Charitable purposes

- a) To advance public participation in sport in Blantyre and the surrounding areas by providing programmes and activities that engage physical and mental application which are accessible to all, regardless of ability, gender, age or religion.
- b) To provide recreational facilities and activities through establishing a community artificial sports pitch in order to improve the conditions of life of participants.

Summary of the main activities in relation to these objects

We have now agreed a long term lease with Blantyre Victoria FC to take over the running of their Football stadium and changing rooms. This lease is now with the lawyers and we hope to have it signed soon in order to start applying for grants to renovate the pitch from grass to astroturf.

We have a design in place for the works as well as construction quotes. Planning permission from the local council has also been granted for the proposed works.

We have started funding applications for both the SFA and Sportscotland.

This year we have continued to run many free football sessions for young children with the help of Blantyre Victoria Youth FC.

During these sessions we also educate local children on the benefits of eating a healthy diet and exercising.
