Activities and Performance

Work has been progressing albeit slowly on the steps needed to wind up the Skeld & District Village Hall (the old charity) and for the transfer of assets to Skeld & District Community Hall SCIO (the new charity).

This work has been undertaken with the help and support of Voluntary Action Shetland (VAS).

Whilst the work is ongoing, all the events at the hall have been undertaken under the auspices of the old charity, therefore the new charity has not traded up to the end of this financial year.

Trustee Remuneration and Expenses

The trustees did not receive any remuneration or expense payments during the year.

Financial Review, Reserves Policy and Plans for the Future

At present the new charity has no assets and no financial reserves.

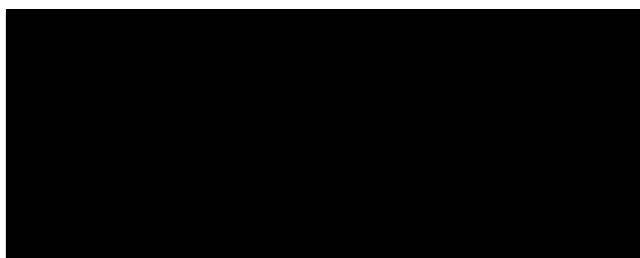

An Annual General Meeting was held on 12th November 2023 and the Trustees shown above were duly elected for another year.

The management board are continuing with the necessary work to facilitate the transition from the old charity to the new charity and the treasurer was instructed to commence the process of opening a bank account for the new charity.

It is the aim of the Trustees to complete the transition from the old charity to the new charity during the next financial year.
