Courtyard Pantry Enterprise SCIO

Report of the Trustees for the Year Ended 31 March 2025

The trustees present their report with the financial statements of the charity for the year ended 31 March 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and Aims

Who are we?

Our purpose is to reduce the impacts of poverty in Glasgow by using food as a vehicle for change.

We accomplish this by providing high-quality food at low cost through our food pantry and by creating secure, well-paid jobs and training opportunities at our food enterprises for those most at risk of long-term unemployment.

Our innovative and sustainable model aims to address the root causes of poverty and help ease the trauma caused by economic inactivity and limited access to quality food for local people and their families in Glasgow.

Our Vision

A future where everyone has access to sufficient resources and affordable, sustainable food that improves their lives; a community where poverty no longer exists.

Mission Statement

We combat the harmful effects of poverty by creating well-paid, secure jobs at our food enterprises, distributing quality food affordably, and reducing waste while minimizing our environmental impact.

Values

The Board of Trustees and Management team have established a set of organizational values that reflect the type of organization we aspire to be, grounded in an inclusive, human rights-based approach.

- Fair Work
- Dignity
- Integrity
- Collaboration
- Sustainable
- Solution Focused

What We Do

We witness the harmful impacts of economic inactivity, lack of opportunity, and poverty in our communities, and we are actively working to change that.

Good Food for All

We alleviate financial hardship by providing quality, affordable food through our Pantry Hub. As a vibrant local hub, our project enhances community connectivity, reduces loneliness and isolation, and serves as a gateway to additional cost-of-living support services.

Breaking Down Barriers to Employment

We create jobs, training, and volunteering opportunities at our social enterprises for individuals from disadvantaged backgrounds and those most at risk of long-term unemployment. We are guided by community wealth-building principles, aimed at creating a more equitable, community-based economy through inclusive economic development.

Environmental Sustainability

Our project contributes to transforming North Glasgow into an accessible, green space by using electric vehicles and tackling food waste.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The year 2024/25 has seen The Courtyard Pantry Enterprise SCIO continue providing vital support to the community by addressing food poverty and its underlying causes with dignity and innovation.

Our innovative social enterprise model and expanding impact have earned national recognition, including winning the "One to Watch 2024" award at the Scottish Social Enterprise Awards. We were also finalists at the 2025 Smiley Charity Film Awards and nominated for Social Enterprise of the Year at the UK Social Enterprise Awards.

Our core work - using food as a tool for positive change - has reached new heights. We welcomed more new pantry members, provided thousands of high-quality meals that nourished adults, children, and families - especially those most at risk of food insecurity - and maintained our commitment to fairness and respect for all. Demand remains strong, highlighting ongoing pressures faced by many local families and underscoring the importance of our mission.

Collaboration remains central to our approach. Our founding partnership with Flourish House, ongoing work with Queens Cross Housing Association, the Poverty Alliance, and others has allowed us to expand our services and support, including our popular café, Toshies - a vibrant community asset - and various outreach advice services.

These networks not only strengthen our projects but also help us connect people with additional resources and opportunities to improve their quality of life.

Financially, we remain stable and prudent, thanks to continued support from grant funders, statutory partners, volunteers, and local businesses. Although funding is challenging, we seek sustainable grant funding and ongoing statutory support to ensure our long-term viability.

The trustees and I are incredibly proud of our dedicated team, volunteers, and supporters whose kindness and resilience are the backbone of our success. As we look forward, we remain committed to our core principle: reducing the impact of poverty and enabling all community members to thrive, with food security serving as a foundation for overall well-being.

FINANCIAL REVIEW

Financial position

The charity incurred a net deficit of £34,989 for the year ended 31 March 2025 (2024: deficit of £11,250). The deficit this year is due to utilising restricted funds brought forward that were due to be spent this year. Excluding this timing difference, the charity generated a surplus of unrestricted funds, increasing reserves by £26,982 (2024: decreased by £16,795).

At 31 March 2025, total reserves stood at £57,845 (2024: £92,834), with £24,902 representing the book value of the charity's tangible fixed assets (2024: £39,626), £25,111 unrestricted general funds (2024: -£16,595) and £7,832 restricted funds (2024: £69,803).

Reserves policy

Our current reserves policy is to set aside £25,000 of unrestricted funds, which is the equivalent of one month's running costs. The Board and Managing Director are working on a long-term strategy to increase the value of our reserves position to that of three months running costs.

Based on the accounts for the year ended 31 March 2025, ordinary expenditure for 3 months amounts to £101,956. At 31 March 2025 the charity held unrestricted free reserves of £25,111, therefore the trustees are satisfied that the policy is being met and aim to build unrestricted reserves through income generation to meet the longer term strategy.

**Independent Examiner's Report to the Trustees of
Courtyard Pantry Enterprise SCIO**

I report on the accounts for the year ended 31 March 2025 set out on pages six to eighteen.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

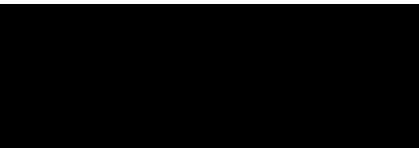

Basis of the independent examiner's report

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
 - to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
 - to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulationshave not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Courtyard Pantry Enterprise SCIO

Notes to the Financial Statements for the Year Ended 31 March 2025

1. GENERAL INFORMATION

Courtyard Pantry Enterprise SCIO was established as a charity on 13 April 2022 and is registered with the Office of the Scottish Regulator Charity No. SC051688. The charity is a Scottish Charitable Incorporated Organisation (SCIO) and is governed by its constitution. Its registered address is 2 Wester Common Drive, Glasgow, G22 5PG.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements are prepared on an accruals basis, and on a going concern basis, in accordance with:

- the Charities and Trustee Investment (Scotland) Act 2005;
- Regulation 8 (Statement of account - Fully accrued accounts) of The Charities Accounts (Scotland) Regulations 2006;
- the Financial Reporting Standard applicable in the UK and Republic of Ireland, published in March 2018 ("FRS 102"), to the extent that it applies to small entities and public benefit entities;
- 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland, published in October 2019 (FRS 102)' ("the Charities SORP");
- UK Generally Accepted Accounting Practice; and
- the historical cost convention.

The charity meets the definition of a public benefit entity under FRS 102.

Assets and liabilities are initially recognised at historical cost or transaction value, unless otherwise stated in the relevant accounting policy.

The financial statements are presented in UK sterling, which is the charity's functional currency, and rounded to the nearest pound.

There have been no changes to the basis of preparation this financial year or to the previous financial year's financial statements.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.
