CHAIRMAN'S REPORT

I would like to welcome all in this our 53rd AGM.

I would like to thank the Committee and the Office Bearers not only for their participation in our Management Meetings but for their willing support to the community activities that we have organised over the last year. Our thanks also to Bob Bain our Steward and to welcome our casual Steward Kenny Stewart.
Many thanks also to our NAC officers for their ongoing support.

The Centre continues to be utulised by the community through the activities of the many user groups from arts and crafts to keep fit and sporting activities with only two at present running commercial classes.

The Village Hub has been a success again this year running from January to end of March . This has an attendance of about thirty locals enjoying soup, tea, coffee and friendship.

The larger annual events such as Highlanders, The Attic Players, Pensioners Dinner and the Scout Jumble sale and the Xmas Tree Switch on are all appreciated in the Community and well attended.

The charging structure was once again reviewed in April and a 5% increase was implemented. This has allowed us to maintain a healthy budget to be used in support of new activities in the centre and help self-fund any maintenance or centre enhancements we think necessary.

We have successfully managed our keyholding groups such that we were able to meet our agreed core hours allocation from NAC and thus avoided any additional caretaking charges.

Once again I am very pleased to say that in collaboration with NAC, CC and other groups, the Association continues to be dedicated to furthering the use of the cenre and Library and environs to the benefit of the communities residents both old and young.

SECRETARY'S REPORT Marion reported that she had no issues this year.
