AGM 24th July 2026

Presidents Report

As usual I would like to thank the Committee and Legion Members for Their continued support of our group.

Armistice Day went well with good numbers in attendance. Collections on the two Saturday's before Remembrance Day at the Co-Op were worthwhile and helped boost our total collection to £2829,00 for the Poppy Appeal.

Thanks to Bill Beverley for all the effort over the years for organising and running the Monthly Draw.

A couple of new members have joined but we should all consider how we can try and improve this. Anyone with any suggestions about what might help or what we can do would be appreciated.

Thanks again.
