Royal British Legion - Aboyne Branch
Annual General Meeting 24th July 2026

TREASURER'S REPORT

Apologies for the late meeting but we were having problems getting verification from the National Insurance regarding our investment after changes were made in running it by the Government they had a backlog to deal with

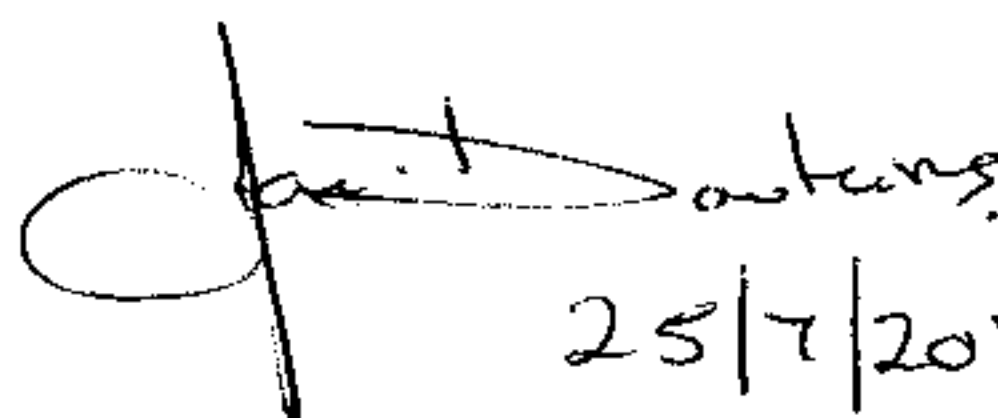

A reasonable year this year although the Accounts don't show all monies taken at the Car Boot Sales as some monies were not deposited in time for end of the accounting year, this will show in next years accounts, Money taken has been boosted by donated goods that are sold on the Legion Stall.

Money raised for the Poppy Appeal was down slightly £2829.92p compared with £2868.00 the previous year possibly due to four tins coming back empty and one close of business. The Tarland Convenience Store, George Strachans, Paper Girls and Corner Shop continue to support us immensely with the Poppy Appeal and displaying Posters throughout the year for Car Boots, our thanks go to them and all the local business.

The Boat Inn held a Quiz Night for us which took place after the end of this financial year.
