Financial review

Brief statement of the charity's policy on reserves

The Charity currently utilises reserves to purchase / upgrade equipment to enhance the Training experiences for our Gymnasts. Reserves are also saved to allow for a future investment in a dedicated Training Facility for the Club.

Details of any deficit

In year deficits were to allow repayment of Personal Loans. Personal Loans were provided at the start of the year as the Club was investing in a purpose facility. Unfortunately, this facility was withdrawn by the landlord and loan repayments were subsequently settled early in the year.
