ACHIEVEMENTS AND PERFORMANCE

Charitable activities and plans for the future

Shambellie House sits in 6 acres of grounds and is listed category B as a good example of Scottish baronial mansion house architecture by David Bryce and built in 1856.

Shambellie House was owned by Charles Stewart a renowned book illustrator who donated the building to Scottish Ministers in 1977 along with his impressive collection of costumes to become the Scottish National Museum of Costumes.

Following the closure of the Museum of Costume a report (commissioned by Scottish Government) by the Prince's Regeneration Trust (PRT) identified a number of potential uses. As part of this several local meetings were held which led to the creation of Shambellie House Trust, which was registered as a company limited by guarantee (Company reg no. 507404) on 2nd June 2015 and with charitable status (SC045782).

Following an EGM on 9th September 2019 the Trust converted its registration to a charitable community benefit society. Approval for this was given by the Financial Conduct Authority on 4th October 2019. This change did not alter the charitable status and was simply noted by OSCR. The Trust launched its initial membership share offer in 2021 and at the end of June 2024 had 245 shareholders.

The Trust developed plans for the House to become a centre for the delivery of short courses in art, craft, quilting, photography, wildlife and wellbeing delivered by local experts taking inspiration from the environment and culture of the region. Following detailed legal discussions, the House and grounds became the property of the Shambellie House Trust on 1st July 2021. The doors opened for business on 3rd April 2022.

Delivery

The trust continues to deliver a core programme of events and exhibitions, supplemented by workshops in art, photography, textiles and wellbeing. Alongside this in 2024/25 we have delivered a number of grant funded programmes delivering for young people, a regional cultural event and enable refugees and 'new scots' to integrate and enjoy all that Shambellie has to offer. This combination of delivery has enabled over 2,500 people to enjoy the benefits of Shambellie House in the year.

Tutors

Our network of tutors continues to grow enabling us to support local creative talent and provide networking and a chance to collaborate. This opportunity to deliver workshops and engage and connect with people and colleagues through collaborations and steering groups is a key feature of our core business at Shambellie. The 'Quilters of Shambellie House', 'Photographers Of Shambellie House' and 'Artists of Shambellie House' are all now part of the structure and along with the 'Young Creatives' providing a sustainable and collaborative model for developing programmes, events and opportunities for Shambellie to support the creative sector. Development of 'Wellbeing at Shambellie' and 'Music, Media and Literature' steering groups are evolving to support the existing structure.

The feedback from the courses is extremely positive with 95% giving us 5/5 and the other 5% 4/5. For the vast majority of course participants loved the venue, were very positive about the catering and the courses met their expectations or exceeded them.

Exhibitions and Events

Our Artists of Shambellie House worked together and volunteered their time to provide a wonderful exhibition of work and a number of demonstrations to help people understand what a workshop at Shambellie is like, encouraging them to book up.

Our Photography festival in 2024 celebrated 'Community' with an open exhibition of around 50 photographs from emerging and professional photographers both local and international. This drew visitors locally and nationally and once again received very positive reviews for the varied and high-quality images. As part of a now established collaboration with Art in Healthcare the exhibition will be displayed at D&G Royal Infirmary and then the Galloway in Stranraer.

Shambellie House Trust

Report of the Trustees for the Period 1st July 2024 to 31st March 2025

JetAA approached us to host a Japanese Festival in August. This was a huge undertaking with a massive input from over 80 volunteers and was an extremely successful event which we hope to repeat next year. The chance to bring Japanese Culture to rural Dumfries and Galloway is an opportunity Shambellie was honoured to be involved in. Feedback was exceptionally positive and over 300 people attended across the two days. It also showcased our region to the 50 plus JetAA volunteers, some of whom had not been to Dumfries and Galloway before.

In late September and early October, the Quilters of Shambellie organised the Third Quilt Festival and this was, again, extremely successful. There were a huge variety of quilts drawing in nearly 1000 visitors over the festival and with ticket sales, fabric sales and raffle provides a significant contribution to the Shambellie House Funds.

Our Young Person's Development Officer, funded by the Holywood Trust established our first Young Creatives Exhibition in October. It was small and did not attract many visitors however it is an important first step in establishing this as part of our series of events.

We also held our second Christmas Fayre with around 30 local creatives taking stalls. The weather was kinder this year and the fayre was well attended bringing in funds for Shambellie by way of stall holder fees and entry fees. A collaboration with Outpost Arts added to the variety with a group of budding new creatives offering high quality creations. This fits with our charitable aims as it was giving these new creative people a chance to create, market and sell in a supportive and nurturing environment.

Young People

Our commitment to young people is exemplified by our work with local schools and young people's groups and is supported by funding from the Holywood Trust. We have very strong links with our local primary school and have offered a variety of workshops at Shambellie as well as visits to the schools and involvement in exhibitions and events. Ongoing consultation and engagement with young people is a key strand of work for our Young Person's Development Officer Anna Murray. By continuing to facilitate a 'Young People of Shambellie' steering group we are involving and including young people in shaping the offer at Shambellie House.

- "I really enjoyed meeting women my age and chatting about life - careers Meeting like-minded people has been lovely."

During the school holidays, primary school children were again able to attend 'Summer Creativity' camp with transport from Kirkbean and New Abbey offered to reduce any barriers to attending. These classes were arts and crafts or outdoor activities and were very popular with more than 60 local children benefitting from the experience. D & G Council provided funds to put these on

Culture, Community and Groups

We continued to offer events for communities and groups and link on with regional events.

Doors Open was very quiet in 2024 we suspect due to most people who wanted to see Shambellie having been the previous year and a number of new venues locally on offer. Reports from partners suggested many were very quiet this year.

Our Christmas Open Day was enjoyed by our young people meeting Santa, parents and others enjoying a tour of the house and taking a guided walk around the winter gardens at Shambellie.

We hosted a very successful Cultural Day in February 25 supported by funding from the regional cultural fund. This was a collaboration with the local village and Historic Environment Scotland. The Cornmill, Sweetheart Abbey and Shambellie House were all open with free guided tours. The new footpath created thanks to Coastal Communities, [REDACTED], Swestrans and New Abbey Charitable Trust Funding was central to enabling this day and allowed people to safely walk between the venues, enjoy the woodlands and spend a day in New Abbey, helping the local economy. A self guided conservation walk and leaflets have also been created using this funding so there is a legacy for the village and surrounding area.

The Short Breaks for carers was delivered during this financial year as we were granted an extension. Many people benefitted from the respite that this provided, especially two groups of young carers who came from all over the region to benefit from a day of outdoor and creative activities.

Landscape and Grounds

Progress with the Land Management Plan has been significant this year with a multi use path installed alongside the main road to from the lower car park of the house to the village of New Abbey. Built by Aitchsons & Sons, the path opening in December was well attended by the local community and all the children from New Abbey School cutting the ribbon and leading the assembled group up the path to the outdoor classroom area. The community, officials, funders, trustee and children enjoyed a hot chocolate and a chance to sit on the newly installed benches. The timber for the benches and outdoor tables was harvested at Shambellie, processed at Kingans Sawmill and then installed back in Shambellie Woods for use by groups and the local community. Carbon capture and the circular economy playing a very important role in how we operate. The Right of Servitude agreement is in place for ten years and we hope the local community will really benefit from this safe access to Shambellie Grounds and woods as well as benefitting Shambellie Trust to offer more opportunities for collaborative events with the village.

Shambellie House Trust

Report of the Trustees for the Period 1st July 2024 to 31st March 2025

Part of the funded project included a Community Stone Carving Project which took place in two parts over 15 days allowing local people to work with a stone carving artist, learn skills and carve and create a design for a Community Knot Garden to be installed in the grounds at Shambellie House for the community to enjoy.

The final part of this project will see a wildlife hide, outdoor gathering structure and signage completed during 2025. The addition of two staff to work in the grounds has been instrumental in progressing this project and we are grateful to them both for their hard work.

Another grant funded programme 'Growing Rural Talent' saw six people working with us for a period of weeks, gaining experience skills and helping move projects on in our grounds. The six recruits were also taken to visit and work on partner sites at Kirkconnell Flow, Scottish Woodlands and many other.

Partnerships

Cloverglen

Cloverglen decided to terminate their lease with increased travel costs and larger numbers of people meaning the site at Shambellie was no longer best suited to their needs. We were sad to see them go and wish them the very best in their new endeavour. We will continue to work with Cloverglen Adult Services any ongoing capacity that benefits their service users and Shambellie House Trust.

SRUC

SRUC Conservation and Wildlife Students benefitted again from our partnership working by learning about land management, balancing tourism and leisure with conservation and protecting biodiversity, partnership working and engaging communities.

Volunteering

Our Board of Trustees are all volunteers and performing strategic trustee duties as well as helping out operationally. Thanks to our package of funding we were able to appoint a short term Volunteer Coordinator who has increased the number of volunteers, relieving some of the pressure on our trustees. Our Artists, Photographers and Quilting Groups made up of tutors and creative leads also give of their time willingly to support and develop at Shambellie. However, with only one permanent member of staff. As the delivery portfolio grows there will continue to be a need to increase the number and range of people to prevent volunteer fatigue and to enable our trustees to perform their strategic role. The nurturing environment at Shambellie House lends itself well to offering a wide variety of volunteering opportunities however ongoing funding for the volunteer coordinator role beyond March 25 is unlikely.

Next Steps

Enterprising Shambellie

Renting rooms on a daily basis to groups has taken place in 2024/25 and is a means to supplement our income. We secured a grant from South of Scotland Enterprise for capital works to the remaining downstairs rooms to make them available for studio/workspace which has further increase our revenue possibilities.

An options appraisal, funded by SoSE has been undertaken on the Lodge. With Cloverglen vacating this offers an opportunity to increase revenue for the trust. Careful consideration will be required to maximise the benefit from this.

Horizon scanning for grant funding which fits with our vision and values to support ongoing delivery ensuring accessible access to Shambellie House & Grounds. As we are not yet self sustaining, this is vital to retain staff and continue delivery.

The trust is well aware that a varied portfolio of exhibitions, workshops, group bookings, corporate days, renting out space and grant funded projects are key to meeting our objectives and securing the future of Shambellie in our community.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Shambellie House Trust was established as a Company limited by guarantee with charitable status on 2nd June 2015. Following a vote by members the Trust converted to a charitable community benefit society and registered with the Financial Conduct Authority (Ref 8214) on 4th October 2019. It retained its registration with OSCR (SC 045782).

Recruitment and appointment of new trustees

The Trust keeps its membership under review. Stacie Halliday was admitted to the board at the AGM in December 2023, having previously been an advisor

The Trust continues to have a series of steering and working groups involving people with the right experience to push forward Development Work and Business Planning, etc. The Trust are still keen to recruit a Trustee with financial experience and continue using Farries Kirk McVean for day to day administration of the accounts.

Induction and training of new trustees

The trust is run by a board of Trustees appointed by the members at the AGM who will normally serve for three years. The Board can also invite organisations that they want to work in partnership with to appoint a trustee. They can also co-opt anyone with specialist knowledge to the Board. In doing so the Board must ensure that the Trustees appointed at the AGM are always in the majority.

When new trustees are appointed they are given a formal induction to the work of the trust and provided with the information they need to fulfil their roles, which includes information about the role of the trustees and charity law.

Further training is offered to new trustees when available and they are also encouraged to take advantage of the training opportunities offered online by Third Sector Dumfries & Galloway (TSDG).

Related parties

The Trust has agreed that Trustees will be eligible to be tutors and paid the normal rate. The Trust rules allow this provided it is done by less than half the Board. At this stage [REDACTED] have run workshops.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Independent Examiner's Report to the Trustees of
Shambellie House Trust

I report on the accounts for the period 1st July 2024 to 31st March 2025 set out on pages eight to nineteen.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

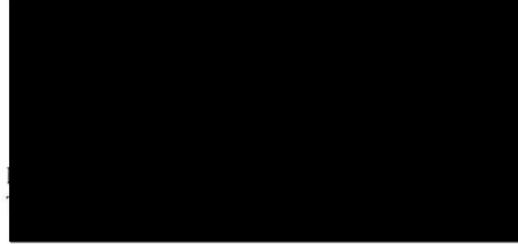

In connection with my examination, no matter has come to my attention :

(1) which gives me reasonable cause to believe that, in any material respect, the requirements

- to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
- to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
