

Future plans

We need to get more volunteers to undertake transport. We actively advertise and get the occasional free advertorial from a local Community Magazine, which has in the past got us some volunteers. We aim to get back to 100% coverage of requests made.

We have been fielding our own calls from January 2025, which makes the role of Treasurer Peter Ogg more onerous. It would be good to get someone to do this or share this task due to his other roles. Treasurer, cutting grass & hedges, and 2 days on admin, sending out details of requests picked up to volunteers.

Declaration

Signed on behalf of the charity trustees: (see separate page as it isn't allowing input in any of these boxes).
