Anthony Baboolal – Chairman

David Baker – Treasurer

Krystyna Gruszecka – Secretary

Anita Ford

Meilan Henderson

Alison Richards

Jenifer Baboolal

OBJECTIVES AND ACTIVITIES

The SCIO was established for charitable purposes only and its objectives are the advancement of citizenship and community development by providing public access to basic toilet facilities in Lochranza through the provision and maintenance of Lochranza Public Toilets

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity is governed by a Constitution.

The year was marked by the completion of the refurbishment of the toilets and surrounds, on time and on budget. The facilities are markedly improved with much approval from users and the general public.

Donations are on an upward trend and an overall surplus was achieved.

Our aim to provide free twenty four hour public toilet facilities was met.

FINANCIAL REVIEW

There is no specific policy on reserves.

There was a surplus for the year on Unrestricted funds of £1301 (2024 £2373).

On Restricted funds, of the grant received of £1500, there was a balance remaining of £1093 at 31 December 2025 which is available for improvements to the Loos facilities in 2026.

DONATED FACILITIES AND SERVICES

All routine cleaning, provision of supplies, day to day maintenance and care are undertaken by trustees and volunteers who are all unpaid.

Water is provided free using the Scottish Government 'Water and Sewage' charity exemption scheme.

The Toilet building and surrounds are owned by North Ayrshire Council who have given Lochranza Loos a licence for temporary occupation and use of the Public Toilets and surrounds on a month to month basis, free of charge.

FUTURE PLANS

We look forward to 2026, hoping to continue our public toilet services which are well used and appreciated by visitors and locals alike.
