- iii) Through building engagement with, and growing collective responsibility to our environment

#### **Summary of main activities undertaken for the public benefit in relation to these objectives**

During 2023-24, Site Collective worked with Skye Community Cinema to do research and development on a joint programme for 2024/2025. Discussions are on going and Site Collective will look to hand over our own research and contacts to Skye Community Cinema and wrap up SC as a charity.

.

#### **Brief Statement of the Charity's Reserve Policy**

Site Collective has very little regular outgoings and operates on a project by project basis. As a relatively new SCIO, there is no reserve policy in place but as the organisation grows, it will operate a three months running costs reserve policy.
