Report of the Trustees for the Year Ended 30 September 2024

The trustees present their report with the financial statements of the charity for the year ended 30 September 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The primary purposes of the charity are the advancement of education, the provision of recreational facilities or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended.

VISION: SPYF are: Passionately committed to supporting communities to flourish.

MISSION: We aim to: Alleviate the worst effects of poverty through eating, education, exercise and empowerment by 2027.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

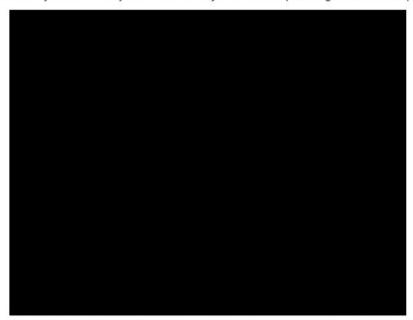

Over the last year SPYF has worked tirelessly to meet our new vision and mission. We remain focused on alleviating the worst effects of poverty through our various spheres of work, ensuring that people growing up and living in one of the most deprived communities in Scotland are able to thrive. While the majority of our work centres on the Blackhill/ Provanmill communities, we continue to support partnerships around the North East of Glasgow and beyond, both locally and internationally.

Youth Work

At the core of our organisation is the provision of youthwork. We provide 32 hrs of youthwork over a 6 day period, reaching up to 1500 young people a week. We continue to run drop in clubs Tuesday - Saturday at a time that the youth committee decide. This continues to ensure that youth crime stays low and that they have a safe space to grow and develop.

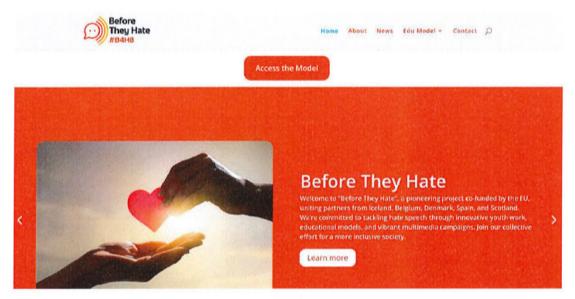

Our youth led radio station Bolt FM celebrates it's 23rd year. With a focus on supporting young people explore the United Nations Convention on the Rights of the Child, young people have been creating podcasts exploring how various rights affect them and other children around the world. With Scotland enshrining the rights in law it is even more important that young people recognise these rights and guide others to understand and implement them.

Report of the Trustees for the Year Ended 30 September 2024

Our Gender Based Violence Prevention programme has been working hard in Smithycroft Secondary with 43 young people trained as peer educators using the Mentors in Violence Prevention model. We have adapted this programme to not only work in a school setting but into the community. Our partnership with Ofbeldisforvarnir in Iceland alongside Connect in Belgium and Backslash in Spain has continued to make great progress. Our website showcasing programmes to reduce hate speech has been launched and in September, the film we were involved with - Bark!(Geltu) - won best short film at the Toronto LLGBTQ+ festival.

In June we were joined by 6 Zambian Youthworkers on the final part of our exchange. We explored a variety of youth and community projects and visited both Glasgow City Council and the Scottish Parliament. The Zambian youthworkers were guests of honour at the Youthlink Scotland awards ceremony where one of our trustees Marion Hughes was awarded a lifetime achievement award for working with young people. We continue to work with our Zambian colleagues to develop our skills and provide support.

Report of the Trustees for the Year Ended 30 September 2024

We have once again been joined by students from China who are studying at Glasgow University's Masters in Community Development programme. Here they have been supporting our boys and girls group, alongside learning about our methodology of youth empowerment through our youth committee. It has been a pleasure to learn about Chinese culture especially the Lunar New Year celebrations.

Blackhill's Growing

Growing spaces - We are helping people to grow good food, cook good food and eat good food in a number of areas. Our home garden at St. Paul's church continues to be productive with hens hatched this year at Carntyne Primary and are now laying, producing eggs for locals and our own cooking. The three polytunnels have been full of fruit and veg, chosen by the volunteers. The growing team has seen a change in coordinator, but no change in output as volunteers and other staff ensure continuity over the sites.

We continue to support schools (St. Thomas's, Carntyne, St. Philomena's and the Molendinar Family Learning Centre) to grow in their spaces. This helps young people see the benefit of home grown food and have a connection with the fork to fork process.

Report of the Trustees for the Year Ended 30 September 2024

Farm - This June saw the opening of Blackhill's Community Farm. Here we have been able to utilise 2 acres of vacant and derelict land as a growing space. With trees and fruit bushes planted by St Philomena's Primary school kids and local adult volunteers there is a buzz about the potential for employment in producing micro greens and other veg for the restaurants in the city.

Larder - We continue to reflect on our dignified approaches to food insecurity and have been working with the volunteers and community to look at a different model from our larder. We have secured funding and a space in the Molendinar Centre and look to morph into a pantry. Here instead of a free handout, people will be able to pay a small amount (£2.50) to get a larger amount of food (roughly £15). This will include food redirected from landfill and food purchased by the pantry through surveys to ensure that customers get what they require. This includes ensuring that halal and vegetarian food is accessible.

Holiday Food - We continued to get funding through the Glasgow City Council Holiday Food programme to ensure that 80 young people were able to get a health meal every day of the school holidays. This has been a tremendous success with our programme being highlighted by GCC as among the highest standards. Trips out to the beach, the zoo and parks ensure that no matter what the background a great summer has happened.

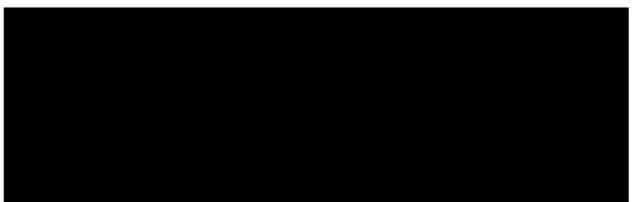

On Bikes

In order to cycle you need three things, a working bike, skills to ride a bike and a safe place to cycle.

At the core of this years work has been providing free bikes. By the end of October 24 we had given out 1581 free bikes since 2021. We continue to ensure that everyone is able to get On Bikes, providing helmets, locks and lights to ensure peoples safety. We have delivered weekly sessions in Blackhill, Smithycroft Secondary, NG Homes with regular sessions at Glasgow Kelvin College. Young people have been learning bike maintenance skills and volunteering with the bike team to build bikes.

Report of the Trustees for the Year Ended 30 September 2024

We have delivered Bikeability the cycling Scotland programme to over 160 children in our community, giving them the confidence to cycle. Flourishing Molendinar, our award winning transport infrastructure programme is now completed all the design stages with commendations on our ability to engage positively with all members of the community. It is now 'shovel ready' awaiting funding from Glasgow City Council and Sustrans.

Our new partnership with Barlinnie Prison, which is on our doorstep, has enabled us to help prisoners rebuild bikes and rebuild their lives. We mentor in the prison once a week and officers support the inmates to repair bikes donated to us. We've been able to get over 500 bikes out to people who could never afford them this year, especially to local primary and secondary schools. This enables more people to be independent. We continue to work with the prison in finding new ways to upskill inmates.

We began our new arms length social enterprise company SPYF On Bikes LTD in April and spent the summer letting people borrow bikes at Golf IT on Hogganfield Loch. Our partnership there has enabled us to provide even more activities at this new site, encouraging people to have fun with golf. We're proud to be the community partner there and have exciting plans to be a centre of excellence for inclusive cycling through our partnership with Vaan Ram bikes.

Report of the Trustees for the Year Ended 30 September 2024

Molendinar Community Centre

Our largest project has been bringing the Molendinar Community Centre back online. With a full year under our management, we have seen huge successes, it is no longer an eyesore/reminder of how little people in this community are cared about, but a vibrant hub of community activity. SPYF have doubled the footfall from when Glasgow Life ran the facility with a training cafe ensuring that everyone has a free bowl of soup and cup of tea.

The Community Centre created spaces and activities for all. From advice surgeries with partner agencies including Thenue Housing Association, Social Security Scotland, Recovery Cafe with The Croft, a programme of daily afterschool activities for primary school children, to a weekly veg barra there is something for everyone.

The Community Cafe within the community centre is the only public open gathering space in the community. Over the past year it has served more than 4000 customers.

One of the reasons for the success is local staffing. 100% of the team, from the manager to the cleaner live locally. This brings our overall local staff to 66% ensuring that local people are not only at the heart of decision making, but at the heart of the financial benefits of the employment of the organisation with 17 out of 25 employees living locally.

All of this work ensures that SPYF continues to tackle the worst effects of poverty through its focused provision on Eating, Exercise, Education and Empowerment.

FINANCIAL REVIEW

Financial position

The charity generated a net surplus of £15,016 for the year ended 30 September 2024 (2023: surplus of £12,016).

A 30 September 2024, reserves totalled £242,451 (2023: £227,435) of which £178,220 were unrestricted (2023: £136,414).

Reserves policy

At 30 September 2024 the charity held reserves of £242,451, which equates to approximately 3 months of expenditure. The trustees consider the reserve funds will enable us to continue to run the Youth Forum for the forthcoming year.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is a SCIO (Scottish Charitable Incorporated Organisation) set up by a constitution which sets out objectives and the administrative framework within which the charity operates. Its objects are to promote the benefit of young persons and individuals within families resident or working in the City of Glasgow, focused on the parish of St. Paul's Church and its environs without distinction of political, religious, or other opinions by associating the local authority, voluntary organisations and inhabitants in a common effort to advance education and to provide, or assist in the provision of facilities in the interests of social welfare for recreation and leisure-time occupation with the object of improving their conditions of life and alleviating the effects of poverty.

Recruitment and appointment of new trustees

All of the project's trustees are appointed or reappointed by the members at our Annual General Meeting.by the members at our Annual General Meeting.

Key management remuneration

In the opinion of the Trustees the key management of the charity comprises the CEO (part time post) and the Depute CEO. Total employer costs relating to these posts in the year were £38,431.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

The law applicable to charities in Scotland, the Charities and Trustee Investment (Scotland) Act 2005, Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution, requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will
 continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Report of the Independent Auditors to the Trustees of St Paul's Youth Forum

Opinion

We have audited the financial statements of St Paul's Youth Forum (the 'charity') for the year ended 30 September 2024 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 30 September 2024 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 and Regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities Accounts (Scotland) Regulations 2006 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Report of the Independent Auditors to the Trustees of St Paul's Youth Forum

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following:

- the nature of the charity and its control environment;
- grants awarded during the year and associated expenditure to reconcile the closing position;
- bank transactions made during the year, reviewing any that appear unusual;
- results of our enquiries of management about their own identification and assessment of the risks and irregularities;
- any matters we identified having reviewed the charity's internal controls established to mitigate risks of fraud or non-compliance with laws and regulations;
- the matters discussed among the audit engagement team regarding how and where fraud might occur in the financial statements and any potential indicators of fraud.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements for the Year Ended 30 September 2024

1. GENERAL INFORMATION

St Paul's Youth Forum ("the charity") is Scottish charitable incorporated organisation governed by its constitution. It was registered as a charity in Scotland (registered number SC042570) on 08 Sept 2011. Its registered address is 30 Langdale Street, Provanmill, Glasgow, G33 1DL.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements are prepared on an accruals basis, and on a going concern basis, in accordance with:

- the Charities and Trustee Investment (Scotland) Act 2005;
- Regulation 8 (Statement of account Fully accrued accounts) of The Charities Accounts (Scotland) Regulations 2006;
- the Financial Reporting Standard applicable in the UK and Republic of Ireland, published in March 2018 ("FRS 102"), to the extent that it applies to small entities and public benefit entities;
- 'Accounting and Reporting' by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland, published in October 2019 (FRS102)' ("the Charities SORP");
- UK Generally Accepted Accounting Practice; and
- the historical cost convention.

The charity meets the definition of a public benefit entity under FRS 102.

Assets and liabilities are initially recognised at historical cost or transaction value, unless otherwise stated in the relevant accounting policy

The financial statements are presented in UK sterling, which is the charity's functional currency, and rounded to the nearest pound.

There have been no changes to the basis of preparation this financial year or to the previous financial year's financial statements.

Income

Income is recognised once the charity has entitlement to the income. It is probable that the income will be received and the amount can be measured reliably. Where there are conditions that any funding should be recognised in a subsequent account period and an adjustment will be made.

Voluntary income is received by way of donations and is included in full in the Statement of Financial Activities when received.

Expenditure

Resources expended are included in the Statement of Financial Activities on an accruals basis, inclusive of any VAT which cannot be recovered.

Expenditure which is directly attributable to specific activities has been included in these cost categories.

Governance costs of the charity relate to the costs of running the charity such as accounting and other statutory requirements.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery - 50% on cost Motor vehicles - 25% on cost

Taxation

St Paul's Youth Forum is a charity within the meaning of Section 467 of the Corporation Tax Act 2010. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 of Part 11 of the Corporation Tax Act 2010 and section 256 of the Taxation of Chargeable Gains Act 1992 to the extent that such income or gains are applied for charitable purposes only.

Notes to the Financial Statements - continued for the Year Ended 30 September 2024

2. ACCOUNTING POLICIES - continued

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Dobtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Financial instruments

The charity has financial assets and financial liabilities that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Redundancy

Redundancy costs are recognised as an expense in the Statement of Financial Activities and a liability on the Balance Sheet at the point the charity is demonstrably committed to it.
