Activities and Achievements

Full year Adult Membership numbers were similar at 56 before including winter memberships 70 but the junior membership fell from 9 to 4. Junior interest was similar with 125 paid for Junior sessions plus many more free ones and Adult coaching interest increased with 140 paid sessions in addition to many free ones

We entered ladies, mens and mixed teams in local and regional competitive leagues, with the aim of providing the opportunity to play competitive tennis to all those who wished to participate. The number of men teams competing increased again with the addition of a Singles League Entry, and the Mixed team won promotion in the Tennis Tayside league. We held the same number of club social events this year and ran successfull internal club competitions and more coaching for both adult and junior. In addition to around 50 well

attended hours of free Public coaching we also saw over 100 hours of usage by members of the community who book online using the LTA Clubspark system on a pay per play basis.

The club has full registration with the national governing body, the Lawn Tennis Association, and silver accreditation with the local Perth and Kinross PACES scheme, ensuring that it complies with the various policies, procedures, and responsibilities in respect of the club facilities and its members
