Objectives and activities

Charitable purposes	**Reston Village Hall** is established as a SCIO dedicated to the upkeep and maintenance of the hall for residents within the Reston and Auchencrow Community Council boundaries. The charity's primary objective is to advance public accessibility to affordable recreational, social, educational and consultation facilities. By acting as a central community hub, it actively works to improve local conditions of life and promote social inclusion for all members of the public.
Summary of the main activities in relation to these objects	The charity realises these goals by operating the venue as a versatile, year-round hub that directly hosts diverse sports, wellness, and arts programming for all ages. By offering affordable hall bookings and anchoring local events—such as community coffee mornings and civic group meetings—it actively reduces social isolation. These volunteer-led efforts ensure the facility remains an accessible and practical resource that enhances daily community life.

APPENDIX 1

Achievements and performance

Summary of the main achievements of the charity during the financial period	FY 2025-2026 has been another busy year with many local groups using the hall on a regular basis in addition to 'one-off' or infrequent local and charitable events; and community consultations. Regular weekly Hall activities include Archery, Bowling, Dancing, Pickleball, and Fitness classes. In addition, the Hall hosts several events, including the monthly Community Café; fundraising dances, the village Summer Fete refreshments and the annual Harvest Fair in September. Financially, our main source of income is from hall bookings with additional funds from fundraising events and donations. Hall bookings remain strong and on average we invoiced £680 per month for these - a marginal decrease on the previous FY. Income for the 12-month period was £9,342 excluding grants, versus an operational expenditure of £5,773 excluding grand funded costs. The Fiscal Year 2025-26 has been a transformational year for the hall with the grants totalling £38,000 from Foundation Scotland and the Borders Community Action. These were for essential equipment for hall users; and to insulate and draft proof the hall. This has enabled the Trustees to complete the first part of the journey to improve the operational efficiency of the hall; and to help ensure its sustainability for future years.

Financial review

Brief statement of the charity's policy on reserves	The trustees endeavour to maintain a contingency of approximately 50% of the Halls annual running cost to help cover periods of little or no income and/or emergencies. This will be reviewed annually.
Details of any deficit	The hall has ended the financial period without any deficit.
Donated facilities and services (if any)	None
