

The Elizabeth Hume Trust SC005995

Trustee Annual Report 2025

The Charity was created under Constitution dated 14th May 2008, the aims being to support anyone within the Chirnside Community who has applied to the Trust for financial support, and that the Trustees deem the request to be appropriate.

The Trust has been more active now, with three donations made during 2025. (one for assistance with funeral costs, one for school bags, trainers and school sweatshirts- for the same family, and one to assist with the purchase of a mobile hoist). Prior to 2025, our last payment out was in May 2020, a donation to a local food bank, prior to that in December 2017.

We have now improved the geographical area (with assistance from Steff Bell from Foundation Scotland) and should see continued improvements to the Trust work.

(scrutinised)
