Achievements and performance

Summary of the main achievements of the charity during the financial period	Strathmore Screen – this is still very popular with our regular customers who appear to be pleased with the choices of films we decide to show. We are still looking for ways to increase the audience numbers as without our lovely tea ladies who supply the very tempting cakes, we would probably lose money on a lot of these films. However, we have decided to continue with the films meantime as we see this as a service for the benefit of the community. We desperately need some more helpers for the set-up and take-down of the screen though. We have a very small pool of men to whom we are grateful to for their help but if one is away, or ill, then it becomes a bit desperate. Discussion was had regarding 'live' streaming being an option in the future. Painting – We have now had the interior painting done in the hall making it fresher looking and cleaner. Chairs – are still ongoing. We are looking at several different options. Aiming to purchase seating that is easy to clean and able to withstand a lot of hard usage. To be ordered soon. Curtains – hopefully to be cleaned when a suitable company can
