Activities and Financial Summary:

During the reporting period ending 30 September 2024, the Society for Technoeconomics SCIO operated exclusively on a volunteer basis. The charity:

- Generated no income.
- Had no expenditure.
- Held no assets or liabilities.

All activities conducted by the trustees were entirely voluntary, with no monetary transactions taking place throughout the year.

Given the absence of any financial transactions or assets, the trustees determined that an independent examination or audit was not required for this period.

This report was approved and signed on behalf of all trustees:
