Treasurer’s Report 24/02/2026

This year has been relatively successful financially, in no small measure thanks to the sterling efforts by members fundraising efforts.

We ended the year with a modest £1410 surplus after everything was paid.

On a slightly different subject, it is now incumbent on every new committee member to be informed of their obligations as trustees upon their appointment. I trust this will happen.

I am retiring from the choir, and I’m sure my successor, Marilyn Robertson will be an excellent replacement, and I wish her the best.

Gordon McCririck

Treasurer (retiring)
