

### Trustee Annual Report 2025

The accounts have been reviewed by the Committee, Trustees, and sent out and signed by our two auditors Stuart McKay and Sarah Robertson. Both have experience preparing OSCR accounts themselves for different organisations.

We had a good year again, but as the club operating year runs August to August, and ticket sales for the spring shows are always falling into the year after the accounts show a loss, but we are not feeling the effect of this in our day to day running.

We have taken some steps to fundraise more, have negotiated to cut outgoing costs with rehearsal venue hires, so next year we aim to show a profit on the accounting year as well as the operating year.

Craig Inglis – Head Trustee
