

# MONIFIETH GRANGE BOWLING CLUB

SC049486

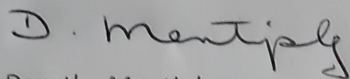

## TRUSTEES REPORT 2024/2025

This has been a good year financially, fund raising is up. Our profit margin is up slightly. We have again ring fenced £4,000 to make sure we can pay our bills should we find we have had a poor year. We continue to maintain the green ourselves, pay for services and increase our insurance.

Our member numbers have increased this year and now totals 54 full members. The number of non-member tickets has also increased with most playing more than once a week. Unfortunately, a couple of our members have passed away in the year and a couple of others are no longer able to play but they still come to watch and encourage and also enjoy a coffee and chat with members afterwards so are very much part of the club still.

We had a Ladies Group visiting and playing with our members and one or two have spoken of joining the club next year. We have also had the local Trishaw group, Cycling Without Age Scotland, holding their committee meetings and their Annual General Meeting in our club house. Both groups very kindly provided a donation to the club. We feel it is important to maintain a profile within the local community and so try to encourage others to come along and enjoy the friendly atmosphere we try hard to portray.

We were also invited to a local Bowling club for a friendly match and intend to reciprocate in 2026.
