APPENDIX 1

Achievements and performance

Summary of the main achievements of the charity during the financial period

This year's Helensburgh and Lomond Highland Games proved to be a successful event. The weather was not the best leading up to the games but on the day the sun did give an appearance, Sill did not deter our visitors to the point that we were on par with previous years and still creating a wonderfully vibrant atmosphere throughout the day. We were particularly proud that the ladies' heavy events have continued to gather strength

The entertainment programme was exceptional, with stirring performances from the Helensburgh Pipe Band providing that authentic Highland atmosphere, while the Rock Choir brought a contemporary energy that delighted audiences of all ages. The combination of the weather, steady attendance, groundbreaking competition categories, and outstanding entertainment has set a new standard for future games, and I extend my sincere gratitude to all volunteers, competitors, and visitors who made this year's event such a resounding success. Our attendance was slightly down than normal, resulting in a lower income level.

Financial review

Brief statement of the charity's policy on reserves

The unrestricted funds represent income earned but not yet utilised in supporting charitable activities. As at 30th September 2025 the charity held £6,277.69 in the bank and the Trustees consider this to be appropriate to allow them to carry forward to the following financial year to meet financial responsibilities.
