Achievements and performance

Summary of the main achievements of the charity during the financial period

Numbers have improved greatly in Brigader section with the return of several juniors who did not make the initial transition from juniors to brigaders.

We had one fundraising event with a Christmas market selling items made by the Girls.

We were able to support the church more with a higher donation for the use of the church facility after many years of free access to the church we wished to support in order to ensure continued use of the church.

Financial review

Brief statement of the charity's policy on reserves

The intention is to cover all costs through subscriptions, and if there are any surpluses, consideration is given to donating some of the back to the churches which supports the company, or other charitable organisations.

Details of any deficit

There was a small deficit this year due to multiple donations to other charities/groups as well as from the restricted fund for DofE as no further grants were attained this year.
