During 2025 we have provided space for community events and supported the work of the Marine Reserve, including the RNLI, Eyemouth Museum and scouts. Space has been provided for skills training, employment support, the Fishermen's choir, public consultations and meetings, community fundraising through coffee mornings etc.

The organisation is a Scottish Charitable Incorporated Organisation, registered with OSCR.

Trustee recruitment and appointment

No further recruitment of trustees has taken place in the period.

We have been building relationships with other charities and organisations with a view to joint projects. In particular we have been planning for Eyemouth Hippodrome SCIO to take over the operation of the hall space from the CIC
