Michelle O'Reilly	Committee	August 2023

STRUCTURE, GOVERNANCE AND MANAGEMENT

Type of governing document

The charity is governed by its constitution. The Club was formed in October 1993 and charitable status was granted in March 2008.

Trustee recruitment and appointment

The trustees of Tinto After School Care Club Association (Glasgow) are parents. In addition, there is also a Project Leader. As per the Club's constitution, it is the parents on the Management Committee who elect from amongst themselves, a Chairperson, Treasurer and Secretary. Any action points raised at the Management Committee meeting are delegated to committee members who report any findings or accomplishments at subsequent meetings.

OBJECTIVES AND ACTIVITIES

Charitable purposes

The main objective of the Club is the advancement of education. This includes the provision of recreational facilities or the organisation of recreational activities to improve the conditions of life for primary school children from ages 4 to 12.

Summary of the main activities in relation to these objects

The above objective is achieved by providing an After School Care service for children of working parents from 15:00 to 17:45 Monday to Friday and a holiday club from 08:00 to 17:45.

ACHIEVEMENTS AND PERFORMANCE

Summary of the main achievements of the charity during the financial period

The club provided After School Care for over 50 children during the school year and for 10 children during the holiday period.

Play Areas

We can provide the children with indoor and outdoor play. We have the Assembly Hall, Gymnasium, Playground and Pitch as our play areas.

We try to get the children outdoors as much as is possible, we can also split the day into indoor and outdoor play.

Activities

We have a large cupboard with lots of toys and games and art equipment.

Many arts, crafts and activities are covered throughout the year, including themed times Easter, Burns Day, St Andrew's Day and Valentine's Day. There were also funded Halloween and Christmas parties.

We also have an X-box and a Wii that the children enjoy using.

The gymnasium is very popular for games and activities as well as those wishing to do dancing. Some children like to practice their Irish dancing, hip hop, modern, ballet and choreography in there.

During Holiday Club trips are taken to many of the local parks, outdoor activities are very popular especially in other play areas. Trips to the Burrell Collection and Pollok park are very popular.

Other Achievements

The numbers attending After School Care and Holiday Club have gone up, meaning income has increased.

Staff attend training courses throughout the year including compulsory courses such as Child Protection, First Aid and Infection Control.

Accounts are on spreadsheets meaning they are more efficient, outstanding bills are chased up, bills are done at the end of every month and are controlled easier.

Our biggest expense previously was wages but there have now been staff cutbacks and staff are now sessional. With the help of GCVS we have managed to get the wages bill down.

We have managed to cut back significantly on spending.

We are hoping that by the numbers attending going up and spending going down, that our finances have seen significantly better accounts. We now have more money in our account and more money in our GCVS account.

FINANCIAL REVIEW

Brief statement of the charity's policy on reserves

It is the aim of Tinto After School Care to hold reserves of at least two months running costs and to try to provide provision for payment of staff redundancy costs should the club cease.
