During the year the Congregation has achieved its objects and continued to pursue its purposes by holding regular twice-weekly meetings for the public worship of God and Bible study. Further, most Congregation members have assisted by sharing regularly in preaching the good news of God's Kingdom and teaching principles of Christian living including respect for secular authority, persons and property; the maintenance of personal morality and family values; and other facets of practical Christianity.

TRUSTEES' ANNUAL REPORT

10. Governance

The affairs of the congregation are managed by the trustees who, as members of the charity, work closely together. Meetings to discuss financial matters are arranged whenever required, being included in the regular religious meetings of the congregation. All major decisions are made by formal resolutions at meetings of congregation members as provided for in the directions from the Society.

The Elders of the congregation are its Trustees, and they are responsible to administer the congregation ensuring it has financial autonomy. Responsibilities include maintaining accounts records and having these reviewed by an individual meeting the legal criteria of an independent examiner. Expenditure, other than ordinary running costs, must be recommended by a quorum of the elders and approved by congregation resolution passed by a simple majority of a quorum of the congregation. The expense must be solely to advance the Objects of the congregation.

The Trustees and all other persons engaged in the activities of the congregation have done so on an entirely voluntary unpaid basis. No expenses or remunerations were paid to Trustees, nor were there any financial transactions between the charity and Trustees, or any persons connected to a Trustee.

11. Review of Year and Financial Developments.

The congregation is funded by voluntary donations made by congregation members and others, supplemented by income from bank interest. Further, it is confirmed that the congregation's accounts comply with the directions of the Society and with the relevant statutory requirements.

There are no notes to the accounts, all relevant information having been included in this report.

Throughout the year such funds have been used to provide facilities for the holding of regular weekly meetings for worship and Bible study. Donations have been made towards the cost of circuit assemblies and other conventions held during the year. Funds have also been donated to assist other entities that support the activities of Jehovah's Witnesses.

12. Assets and Liabilities

During the year, the trustees approved that all income and expenditure and assets of the charity be transferred to another charity with similar aims and objectives – The Kingdom Hall Trust (registered in Scotland, Charity Reg. No SC046541). This transfer happened on 1st October 2025. At 31 March 2026, the charity had no assets.

14. At 31st March 2026, the congregation had no liabilities.

Notable Receipts and Expenses:

15. Of particular significance in the financial affairs of the Congregation during the year were:

Grants of £1,190 were approved by Congregation resolutions for the charitable work of associated charities. Cash assets of £3,208.39 were transferred to The Kingdom Hall Trust (registered in Scotland, charity reg no. SC046541).

In addition, during the year, the sum of £798 for International Bible Students Association (registered in Scotland Charity Reg. No. SC046866), was collected and sent on to that charity.

In all respects the Congregation continues to co-operate closely with the other duly constituted congregations within the Circuit and with the Society for the common purpose of advancing Christianity by preaching the good news of God's Kingdom by Jesus Christ.

Internal Controls

16. Proper controls and procedures are adhered to, so that the monthly financial reports made to the Trustees and the congregation, accurately represent all transactions, are in balance and provide reasonable assurance that finances are being used for their intended purpose. A competent person checks the accounts on a quarterly basis. The results are announced to the congregation.

Investment Policy

17. The Trustees have the power to invest in any way they see fit but having regard to the soundness of the financial institution, and our Christian principles. Any funds that may be needed in the short term will be invested on that basis.

Reserves Policy

18. The charity has a consistent income base, through donations by congregation members, some of which is by tax-effective means. Based on this income, we can plan confidently with relatively small reserves. The policy is to ensure that we have free reserves on hand equivalent to not less than 3 months working expenditure. As noted earlier in the report, the charity has no reserves at the year end.

The charity's restricted funds relating to the refurbishment and maintenance of the Kingdom Hall, were transferred to a sister congregation.
