Structure, governance and management

Type of governing document

The Club is an unincorporated association governed by a written constitution.

Trustee recruitment and appointment

Any parent, carer or guardian of a player at West End FC can volunteer to be a member of the Committee. In the event that the number exceeds the number of places set out in the constitution, members will be selected by election. Election will take place at the AGM, normally held during the 1st month of the year.

Office bearers are agreed by the AGM and re-selected on an annual basis. The Chair, Treasurer, Secretary and any other Trustees run the Club.

Objectives and activities

Charitable purposes

To create an environment that balances fun with a work ethic that encourages players to strive to be the best they can be. To develop our players to their highest level of physical and technical ability. Help players build social skills to be successful within a team environment and for life. Provide a football journey and an experience the player will cherish for a lifetime. While also meeting the development aspirations of all players; and providing pathways onwards from grassroots football.

Summary of the main activities in relation to these objects

Annual fees are set yearly for each player which is used to pay for training/match facilities and any equipment needed.

We strive to have the best coaches and support our volunteers through SFA courses in order to deliver the best possible coaching to aid our player development.

APPENDIX 1

Achievements and performance

Summary of the main achievements of the charity during the financial period	The club is currently fundraising for an artificial pitch and has raised £149,000 after expenses. We will continue our fundraising efforts throughout 2026 and will also seek support from the Scottish FA, Sport Scotland, and corporate sponsorship partners. Our aspiration is to complete the build in 2026. West End continues to grow year on year, with new age groups being added and participation increasing across the club. We now have 450 players, including 120 girls, reflecting the strength of our community and the demand for high-quality football opportunities. Having our own all-weather facility would bring significant benefits to the club, supporting player development, improving training consistency, and providing a long-term home for our growing membership.
